## Description

---

TP-LINK's HD Wi-Fi Cloud Camera NC210 is your perfect home and office companion, to help you keep in touch with what matters most, providing you with that sense of well-being while you are at work or play.

# Features

## Better View

- **720P HD Resolution** – HD resolution gives a sharper, clearer and crisper imaging experience.
- **H.264 Video Compression** – Ensure smooth HD video streaming while consuming less bandwidth.

## Uses

- **Secures Your Lifestyle** – The cloud camera helps you keep in touch with what matters most, giving peace-of-mind in both home and office.
- **Live Video** – Check up on what's happening live from anywhere using your desktops, iPhone, iPad or Android devices.
- **Multi-user** – Supports multi-user access for simultaneous viewing.

## Ease of Use

- **Easy Installation**– Install the NC210 simply by only 2 steps and don't need an Ethernet cable.
- **Anywhere and Anytime** – With tpCamera APP and tplinkcloud.com web portal, it is easy to access your camera from anywhere, anytime.

# Features

## Security

- **Instant Alert With App and Email Notification** – Automatically notify you by app and email when something's up and keep you aware of what's going on immediately.

## Wi-Fi Performance

- **Fast 150Mbps Wi-Fi** – 150Mbps wireless speed for stable connectivity.

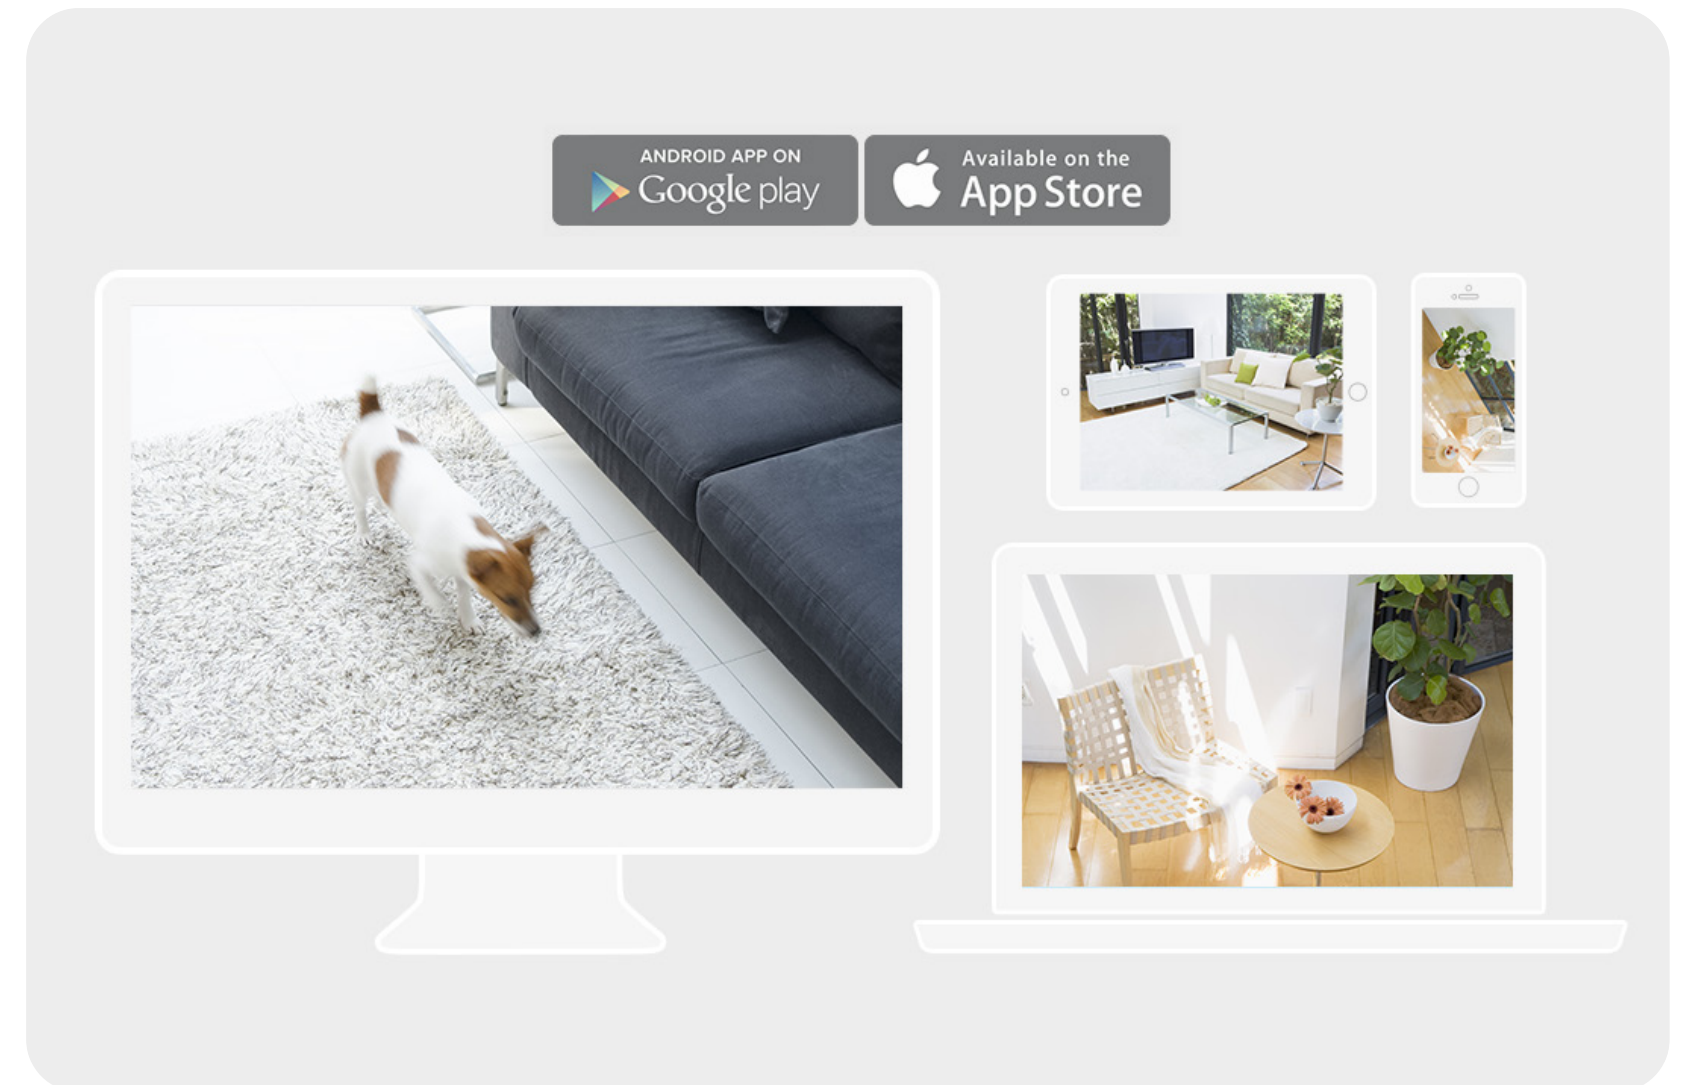

## Stay Connected and Secure

The NC210 is a perfect companion for your home or office, helping you be connected with what matters most while you're away.

## Anywhere, Anytime Access

The tpCamera app and tplinkcloud.com web portal lets you monitor events, record video, and snap pictures wherever you have an Internet connection. Make sure everything's OK and never miss a special moment, even when you're not on the scene.
