Features

Design For Everyday Use

Enclosed with metal feel coating in gold finish, this card holder shape power bank is the handy gadget that you will take along for every day, every occasion.

10.8 mm Ultra Slim

Slimmer than your palm and as big as a credit card, TL-PBB6000 designs to fit comfortably in your hand, neatly in your pocket or unnoticed in your bag.

2.4A Ultra Fast Charge & Recharge Speed

TL-PBB6000 also support 5V/2.4A ultra fast recharging speed. It takes only 2.5 hours to recover from 0% to full capacity while it needs 4.5 hours for other 6000mAh power banks supporting 5V/1A only.*

*5V/2.4A power source is required, and exact recharging time may vary subject to actual situation

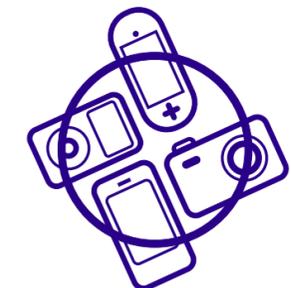

Charge 65% Faster

Boosts up the charging speed up to 5V/2.4A, making TL-PBB6000 a ultra fast charge power bank that can charge 65% faster and save up to 40% charging time.

Completed Safety Features

Elite series power banks incorporate the latest safety features to protect your devices and power bank against short circuit, over voltage, over current, over charging and over heating.

Universal Compatibility

Compatible with smart devices running iOS, Android, Windows and most other USB-charged devices, from devices with large battery like tablets, to gadgets with tiny battery like smart wearable devices.
