Premium Outdoor Security Camera

The Kasa Cam Outdoor is a full-featured weatherproof security camera that you can access from anywhere. Day or night, rain or shine, Kasa Cam protects what you love most.

Features

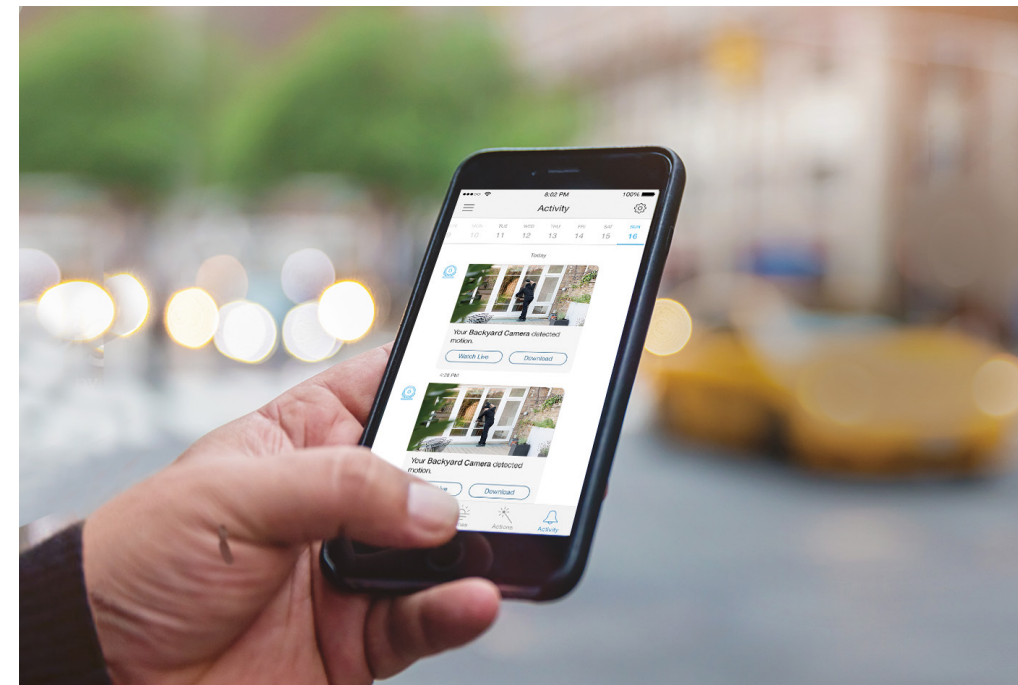

Built-in Siren and 2-way Audio

Use crisp 2-way audio to communicate with the delivery person at your front door or use the siren to scare away intruders. Protect your outdoors wherever you are.

Watch from Anywhere

Watch live or recorded video at any time on your smartphone with the free Kasa Smart app or on an Amazon Alexa or Google Assistant supported display, e.g. Fire TV or Google Chromecast.

Free Cloud Storage

Access up to 2-days of crystal clear 1080p streaming video at no charge. Watch live or recorded video, download, and share with anyone. Upgrade options available with Kasa Care subscription.

Protect Every Pixel

We know your privacy is important, which is why all your video streams are protected with industry-standard 128-bit AES encryption with SSL/TLS right from the camera.

Easy DIY Install

The magnetic camera mount and mounting wall plate make for a quick DIY install. Get the best angle and video with the Kasa Smart app. Note: Weatherproof outlet needed for outdoor use.

Activity Zones

Control what alerts you receive by setting customizable activity zones around areas that are important to you. Set zones for areas that matter most like your front door, driveway, back porch, or the side of your home.

Specifications
