// Highlights

Remote Control from Anywhere

With Cloud Advantage, instantly turn connected devices on/off wherever you are via the Tapo app. Designed to facilitate your life and help eliminate potential safety hazards.

Live Smarter by Presetting Time

Schedule and Timer features allow you to create weekly schedule and countdown plans. All of your connected electronics will automatically work at your preset time, making your life smart, convenient, and energy-saving.
// Highlights

A Deterrent for Your Home
Away Mode, a feature that intelligently simulates someone being home by turning the plugged in device (like a lamp) on and off, makes it appear that someone is home when you’re on long trips to keep away people with ill intent.

Free Up Your Hands with Voice Control
You can use Amazon Alexa or Google Assistant to control your devices with voice commands like “Alexa, turn on the toaster please”.  

*No separate hub and accessories are required.*
Features

· **Remote Control** – Instantly turn connected devices on/off wherever you are through the Tapo app.
