

Kasa Smart Light Bulb

Tunable White

KL120

Remote Control

Energy Efficient

Scheduling

No Hub Required

Voice Control

Highlights

Tune Lights

Tune your white light to match any activity. Create a cozy warm white to relax or an energetic bright white when you're doing chores. Let Kasa automatically adjust lighting throughout the day to match natural sunlight patterns. It can be controlled from anywhere with the Kasa app or with simple voice control via Google Assistant, Alexa or SmartThings.

*The Alexa and Google Assistant are not available in all languages and countries.

Multi-scene

Create multiple scenes like theater scene, party scene or sleeping scene with different settings for various occasions, and tap yours when you want the light your way.

Highlights

Energy Saving

Reduce energy use up to 80% without losing brightness or quality.

Your Home. One App.

With the Kasa Smart app, you can easily access and control smart plugs, cameras, light switches, bulbs and more. Checking in on your home is only a few taps away.
