# Highlights

## Classic Done Smarter

The Kasa Filament Smart Bulb, Warm Amber combines the beauty and warmth of a vintage café light with smart technology for something unique and modern. Give your home a cozy and decorative feel with a stylish LED bulb that you can control with the Kasa Smart app, Alexa, Google Assistant, or SmartThings.

\*The Alexa and Google Assistant are not available in all languages and countries.

## Multi-scenarios

Tap your smartphone to instantly adjust the light however you want to create the perfect atmosphere for any scenario—romance, partying, relaxation, or anything else—with settings for various occasions.

# Highlights

## Device Grouping

Use Grouping to combine your Kasa devices with other Kasa Smart devices for seamless control with one single tap on your smartphone.

## Your Home. One App.

With the Kasa Smart app, you can easily access and control smart plugs, cameras, light switches, bulbs and more. Checking in on your home is only a few taps away.
