Sirens, Alerts and Occupancy Sounds

Features

Watch from Anywhere

Take and Place Anywhere

Crystal Clear Video

Sharp and clear 1080p full-HD video provides high-quality video right in the palm of your hand.

Night Vision

Even in the dark, the camera will detect activity up to 25 ft. away. Never miss a thing at night and still get the same high-quality video you're used to.

Wide Angle Field of View

130-degree, wide-angle field of view makes sure nothing is out of view.

All-Weather Allstar

The Kasa Wire-Free Camera is built to handle outdoor conditions.

Watch from Anywhere

Watch live video at any time on your mobile devices with the free Kasa Smart app.

Notifications That Matter

With motion and sound detection, the Kasa Smart app alerts you of activity that matters and sends notifications straight to your smartphone.

Features

Intruders Beware

Kasa Camera and Hub are equipped with powerful sirens and occupancy sounds, like a barking dog, that will ward off unwanted visitors.

Activity Zones

With customizable activity zones, you can limit where your camera looks for activity, no matter how busy a scene it sees.

Rechargeable Lithium Ion Battery

Low-power wireless protocol, we've optimized the battery life for a longer and smarter experience.

2-Way Talk

Built-in microphone and speaker connect you directly to the action. Just hold the talk button in the app and carry on a full conversation through your camera.

Placement Freedom

The built-in battery lets you place Kasa Camera wherever you want - no wires attached. Of course, you can always plug it in, too.

Easy Install

Use the magnetic base to place your camera high up on an outdoor drain pipe. Even use the security mount to screw it into a hard surface and angle however you like.
