

Kasa Smart Wi-Fi Plug Mini

EP10

Remote Control

Schedule and Timer

Voice Control

Compact Design

Away Mode

Highlights

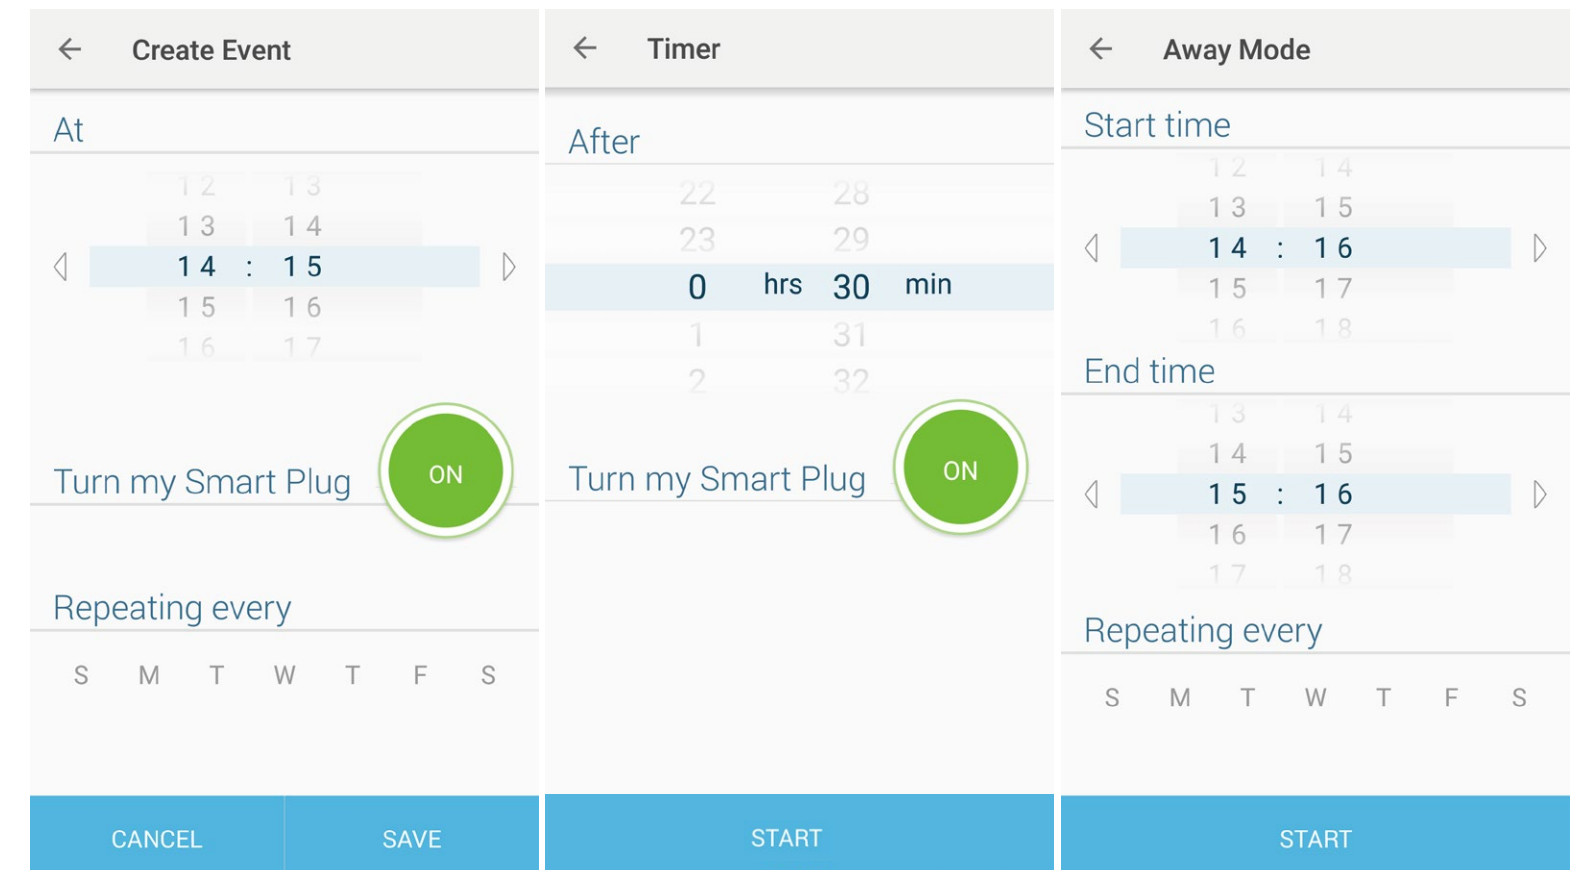

Remote Access

Control devices connected to the smart plug wherever you have internet using the free Kasa Smart app on your smartphone.

Scheduling

Turn your connected lamps, small appliances, holiday decorations, and other electrical devices on or off automatically to match your daily routine.

Highlights

Simple to set up and use with Alexa

Setup is faster than ever before with Alexa. Use your Echo device to set up the plug via voice command.

1

Once you've set up your Echo device, plug in your TP-Link smart plug. If Alexa or the Alexa app says "New plug found," go straight to step 3.

2

In the Kasa app, click the '+' icon and then follow the step-by-step instructions to set up your smart plug and link your TP-Link account to Amazon.

3

To use your device with Alexa, just say "Alexa, turn on First Plug."

Highlights

Hands-free Voice Control

Connect your smart plug with Amazon Alexa, Google Assistant, or Samsung SmartThings, and control connected devices by only using your voice.

Your Home. One App.

With the Kasa Smart app, you can easily access and control smart plugs, cameras, light switches, bulbs and more. Checking in on your home is only a few taps away.
