

Kasa Smart Wi-Fi Plug Slim, Energy Monitoring

KP115

Compact Design

Control from Anywhere

No Hub Required

Home Automation

Highlights

Energy Monitoring

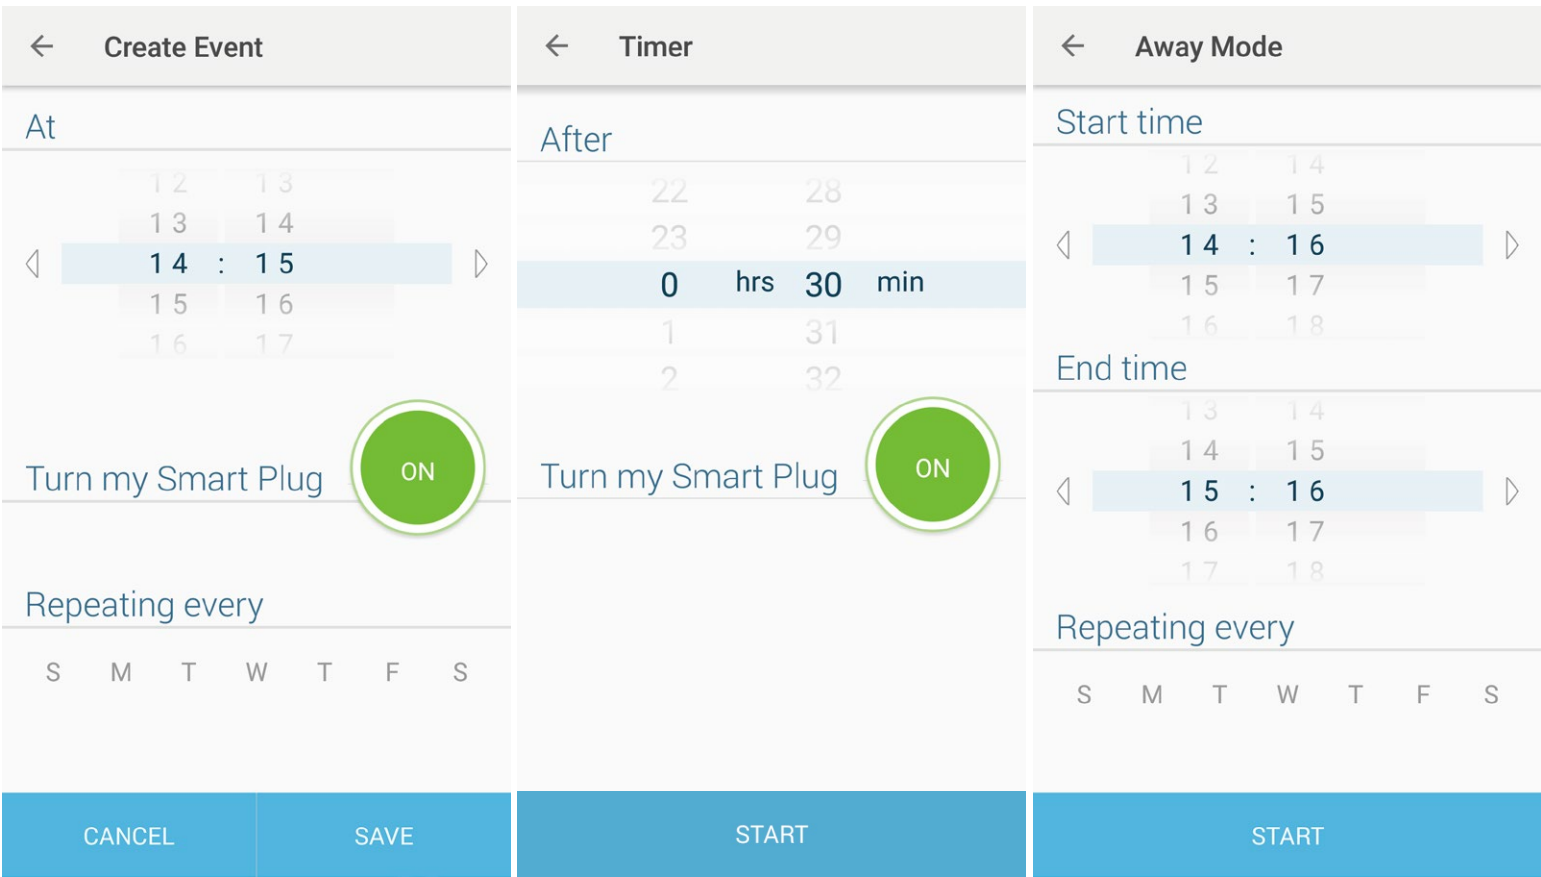

Manage your connected devices' real-time energy consumption and know which one is most power-hungry. Reduce unnecessary energy loss and lower your electric bills with the Schedule and Timer.

Note: The app screen depicted is for visual reference only and does not necessarily represent actual product operation or app appearance.

Scheduling

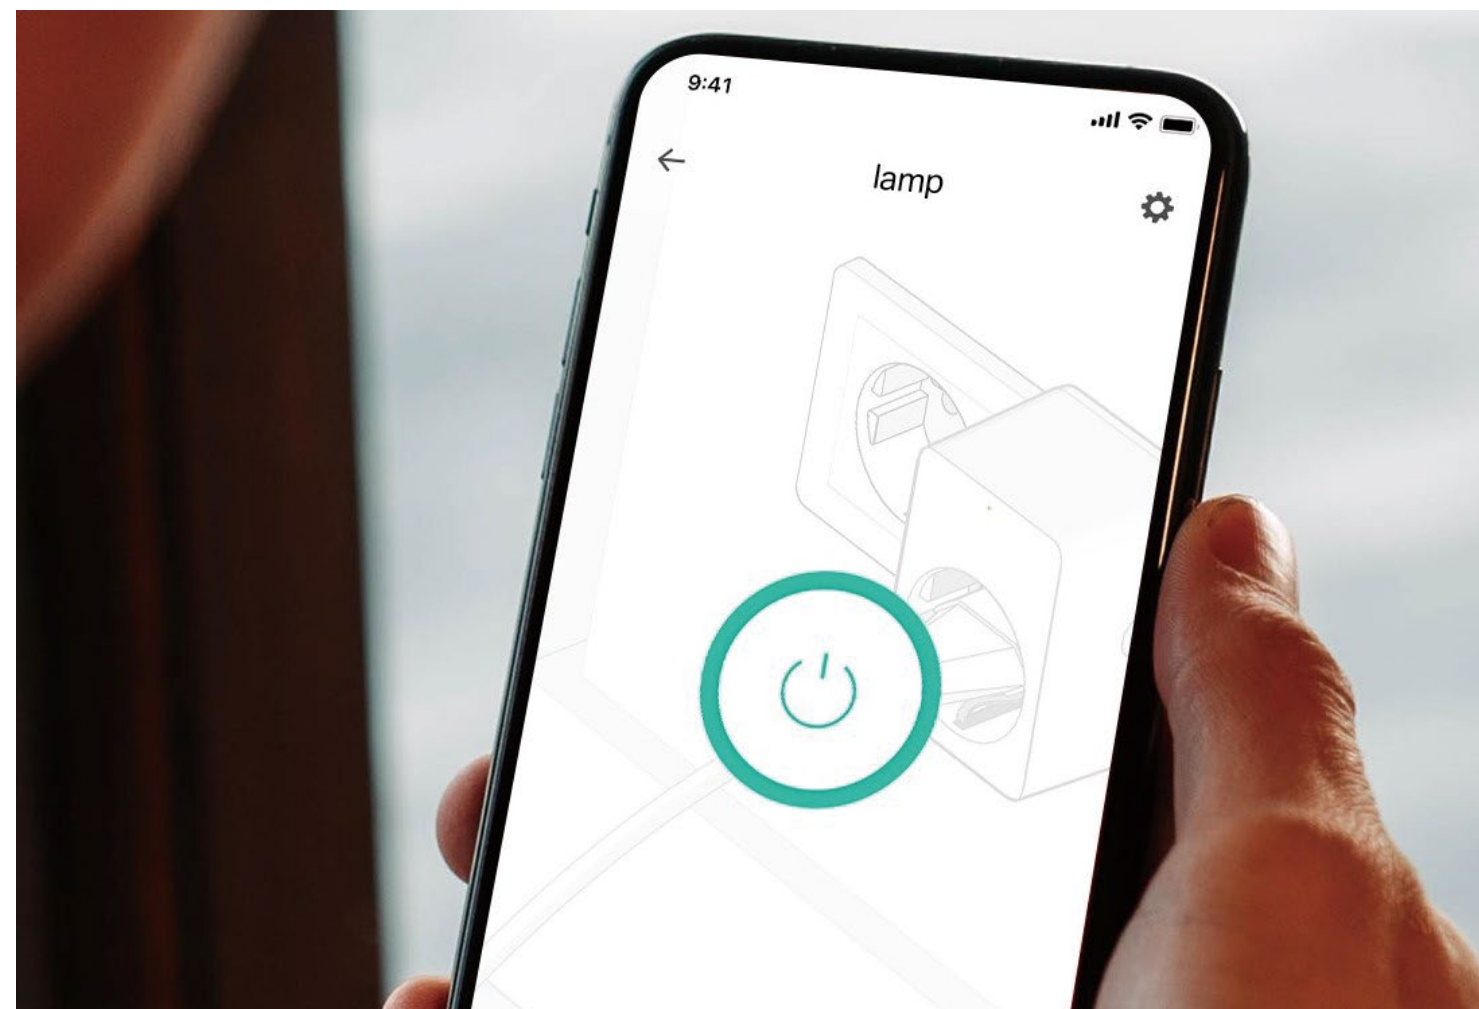

Turn your connected lamps, small appliances, holiday decorations, and other electrical devices on or off automatically to match your daily routine.

Highlights

Remote Access

Control devices connected to the smart plug wherever you have internet using the free Kasa Smart app on your smartphone.

Your Home. One App.

Turn your home into a true smart home with Kasa Smart. Automate your lights and appliances with smart plugs and bulbs. Secure your home with Kasa Cameras. Control it all from the Kasa Smart app.

Features

Ease of Use

- **Easy Setup** – Download the Kasa Smart app and follow the app instructions to set up your smart plug
- **Remote Control** – The smart plug makes it easy to manage your household electronic devices anywhere in the world with the free Kasa Smart app on your smartphone

Compatibility

- **Works with Vocie Assistants** – Control smart plugs using the leading voice assistants such as Amazon Echo, Google Assistant, and SmartThings
- **Compatible with Android, iOS** – The free Kasa Smart app lets you run smart plugs from any Android (5.0 or higher) or iOS (iOS 10 or higher) devices

Smart Features

- **Scheduling** – Set schedules to turn on/off devices plugged in the smart plugs at any chosen time for your convenience
- **Scenes** – Customize a scene to activate a group of smart devices simultaneously, allowing you to easily set your mood, activity or fit any special occasion.
- **Smart Actions** – With Smart Actions, your Kasa devices can work together to create a smarter smart home
- **Grouping** – Use Grouping to combine your Kasa devices with other Kasa Smart devices for seamless control with one single tap on your smartphone
