

# Kasa Smart Wi-Fi Plug Slim, Energy Monitoring

KP115

# Highlights

## Energy Monitoring

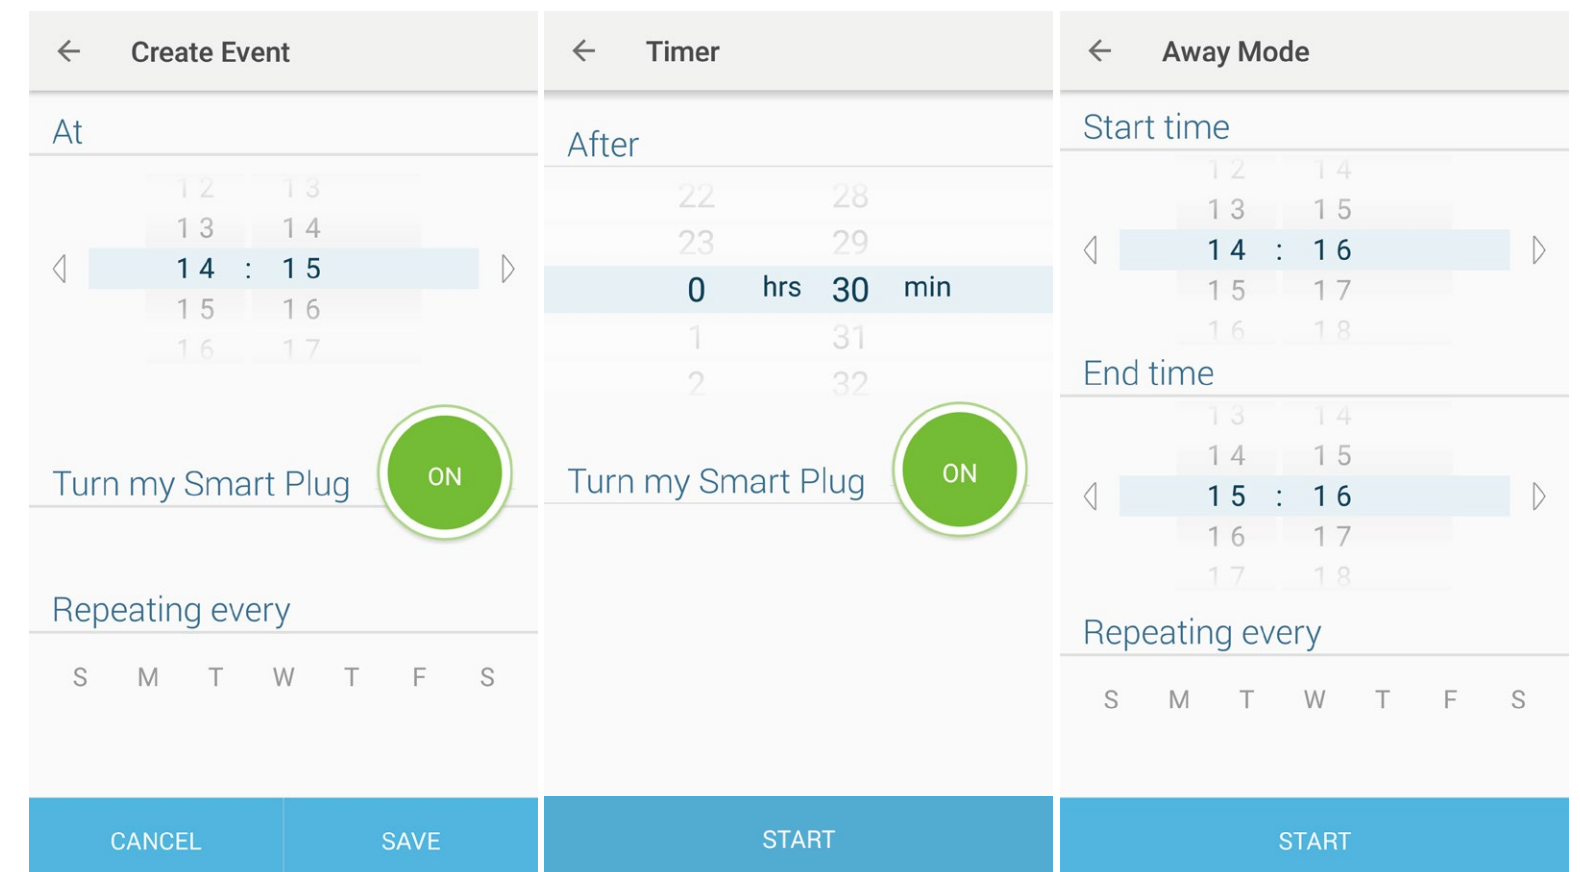

Manage your connected devices' real-time energy consumption and know which one is most power-hungry. Reduce unnecessary energy loss and lower your electric bills with the Schedule and Timer.

Note: The app screen depicted is for visual reference only and does not necessarily represent actual product operation or app appearance.

## Scheduling

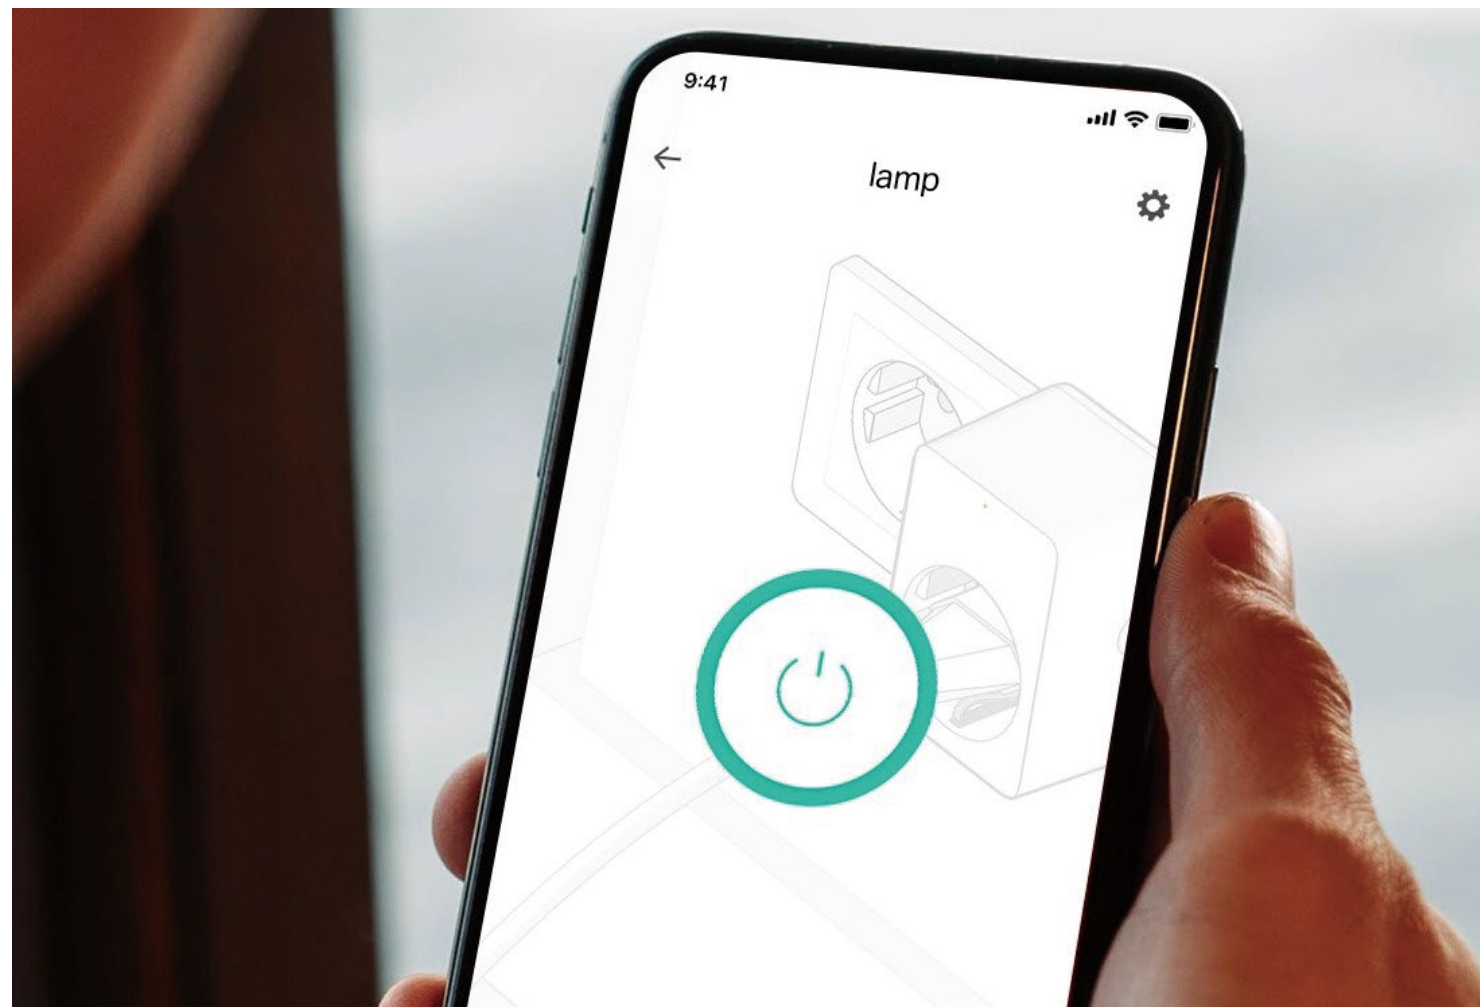

Turn your connected lamps, small appliances, holiday decorations, and other electrical devices on or off automatically to match your daily routine.

# Highlights

## Remote Access

Control devices connected to the smart plug wherever you have internet using the free Kasa Smart app on your smartphone.

## Your Home. One App.

Turn your home into a true smart home with Kasa Smart. Automate your lights and appliances with smart plugs and bulbs. Secure your home with Kasa Cameras. Control it all from the Kasa Smart app.

# Features

## Ease of Use

- **Easy Setup** – Download the Kasa Smart app and follow the app instructions to set up your smart plug
- **Remote Control** – The smart plug makes it easy to manage your household electronic devices anywhere in the world with the free Kasa Smart app on your smartphone

## Compatibility

- **Works with Voice Assistants** – Control smart plugs using the leading voice assistants such as Amazon Echo, Google Assistant, and SmartThings
- **Compatible with Android, iOS** – The free Kasa Smart app lets you run smart plugs from any Android (5.0 or higher) or iOS (iOS 10 or higher) devices

## Smart Features

- **Scheduling** – Set schedules to turn on/off devices plugged in the smart plugs at any chosen time for your convenience
- **Scenes** – Customize a scene to activate a group of smart devices simultaneously, allowing you to easily set your mood, activity or fit any special occasion.
- **Smart Actions** – With Smart Actions, your Kasa devices can work together to create a smarter smart home
- **Grouping** – Use Grouping to combine your Kasa devices with other Kasa Smart devices for seamless control with one single tap on your smartphone
