Highlights

Always Spot On

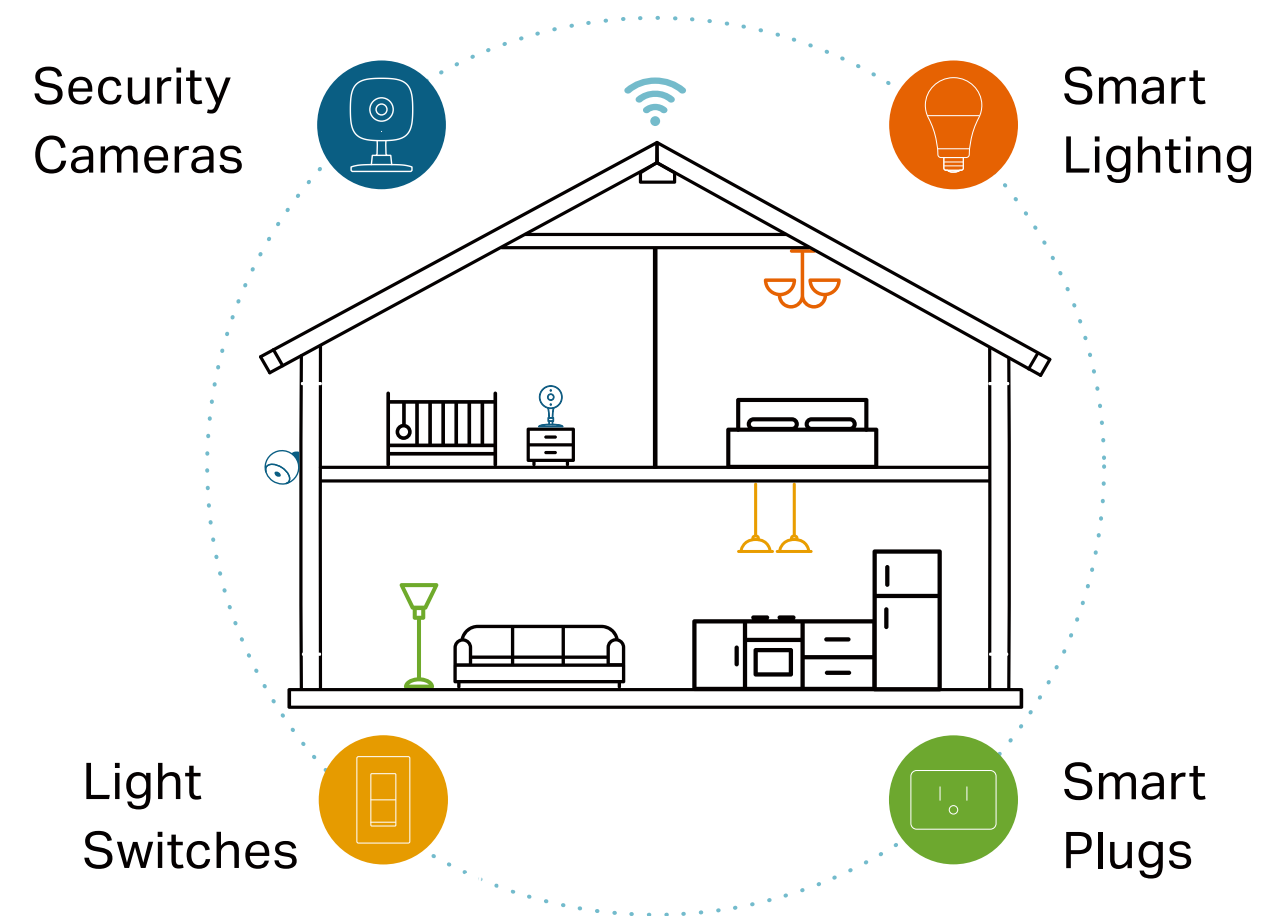

Keep an eye on what's important to you with Kasa Spot®. Set multiple activity zones and receive instant alerts when motion or audio is detected. Play back locally stored videos freely with your Kasa Smart app. Stream live video on your smartphone or any Alexa or Google Assistant supported display.

*The app screen depicted is for visual reference only and does not necessarily represent actual product operation or app appearance.

Your Home. One App.

Turn your home into a true smart home with Kasa Smart. Automate your lights and appliances with smart plugs, bulbs, and switches. Secure your home with Kasa Cameras. Control it all from the Kasa Smart app.

Features

Crystal Clear Video

Sharp and clear 1080p Full HD offers greater detail and colors, even when you zoom in.

Night Vision

Kasa camera detects activity up to 30 feet away even in total darkness.

Customizable Activity Zones

Create dynamic activity zones around important areas and receive alerts you care about

Live View

Keep an eye on what's important to you from anywhere in real time with the Kasa Smart app.

Secure Local Storage

Save your footage on a microSD card* and play back with your Kasa Smart app.

*The microSD card is not included.

Crisp Two-Way Audio

Built-in microphone and speaker connect you directly to the action.
