Smart. Secure. Easy.

OUR STORY

The smart home market has undergone significant growth in recent years. With Kasa targeting mainstream and high-end consumers, TP-Link has established a new independent brand, Tapo, as an entry-level competitor.

For the foreseeable future, Tapo will engage in small intelligent household appliances and is created to allow anyone to affordably adopt a smart home lifestyle. That's why we insist that every aspect of Tapo emphasize being Smart, Secure, Easy.

Branching off from TP-Link, a global provider of reliable networking devices and accessories, Tapo is equipped with insightful industry awareness and reliable in-house manufacturing to minimize costs and ensure quality.

Smarter Care for Smarter Living

Comprehensive subscription service for cloud video recording

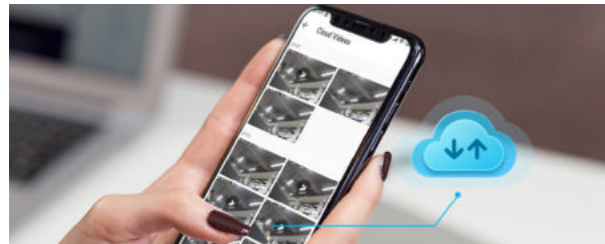

Supported Models:

Smart. Secure. Easy.

Protecting You Day and Night Outdoor Security Wi-Fi Camera

Tapo C320WS

30-Day Cloud Video History

With the Tapo Care plan, all of your events are recorded and you can easily review them—anytime, anywhere—via the Tapo app.

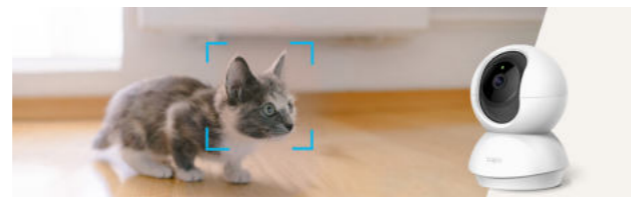

Rich Notifications with Snapshots

Smart alerts notify you in real-time the instant your camera detects person with a snapshot. Instantly review the related video clip to know exactly what's happening anytime there is unusual activity.

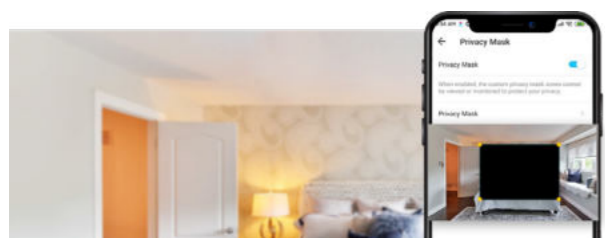

AI Detections

Receive real-time alerts when your baby starts crying or when people come into your camera's view. Monitor your baby even when you're not in the room and receive prompt notifications if they start crying.

Motion Tracking

A subscription to TapoCare allows your camera to track motion so you can even follow your pet's every action when you're at work.

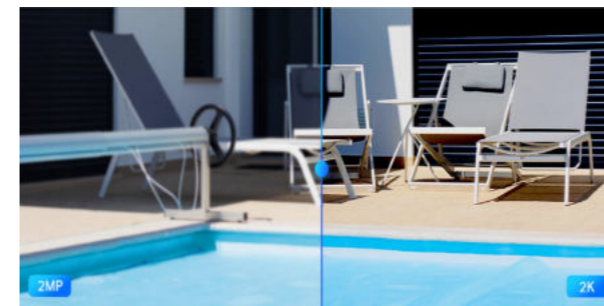

Privacy Zone

Set customizable block zones to keep certain spaces from being recorded so you never need to worry about personal moments being leaked. Filter out any personal spaces, like your bed, and only record areas that require monitoring such as doorways and windows to ensure your privacy remains just that—private.

2K High Definition

Sharp and clear 4MP high-resolution video delivers more delicate details.

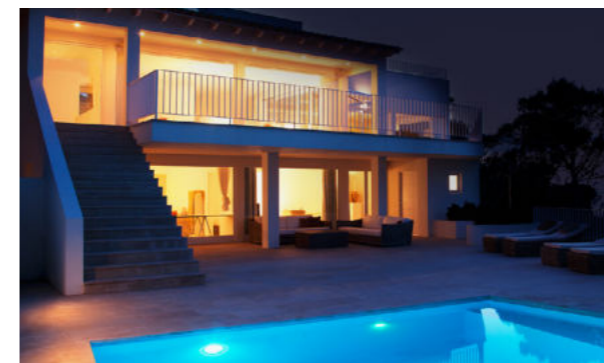

Full-Time Color

Enhance your security view with vivid colors even at night with the integrated spotlights.

Starlight Night Vision

The highly-sensitive starlight sensor captures higher-quality images even in low-light conditions.

Detects motion and sends you alerts right away

Receive a notification whenever your camera detects motion and check it in details through the Tapo app. Personalize your security by setting motion detection zones to only notify you of what happens in areas that you choose.

Not only will the camera send notifications to you when motion is detected, it'll also trigger sounds as an alarm.

*TapoCare Plan is under development and will be released 2021 Q2. Supported Models: Tapo C100/C110/TC60/C200/C210/TC70/C310.

*The data is from TP-Link's laboratory, and actual duration may vary with usage scenarios.

Smart. Secure. Easy.

See What Matters Most. Pan/Tilt Home Security Wi-Fi Camera

Tapo C200

- Pan and Tilt
- 1080p Crystal Clear Image
- Two-Way Audio
- Night Vision
- Motion Detection
- Privacy Mode

▶ Detects motion and sends you alerts right away

Receive a notification whenever your camera detects motion and check it in details through the Tapo app. Personalize your security by setting motion detection zones to only notify you of what happens in areas that you choose.

Not only will the camera send notifications to you when motion is detected, it'll also trigger lights and sounds as an alarm.

▶ Privacy mode and safe local storage ensure your privacy

Insert a microSD card that stores up to 128 GB, equal to 384 hours (16 days) of footage*. This allows you to not only cut down on your personal or business expenses like monthly fees for cloud storage but also feel secure that your video is stored at a high-rate speed on a local card accessible only by the device administrator.

Privacy Mode
Shut Down the Surveillance

128 GB

microSD Card Slot
Up to 128 GB (microSD card needs to be purchased separately)

▶ Advanced night vision helps guard you while you sleep

Don't wake up your little ones when you crack open their doors to check on them. Watch over them from your phone with 30 ft of night vision. You'll have peace of mind, and they'll have a good night's sleep.

▶ Get a detailed look at your room

A wide range of coverage to captures detail at every moment.

Smart Sensors

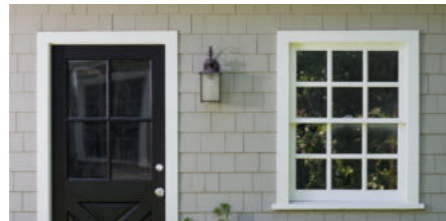

Tapo T110

Window/Door Sensor

Window and Door Checks

Use the contact sensor to check whether you've closed all your doors and windows and make sure you're not heating or cooling the whole neighborhood.

Energy Saving

Tapo Smart Contact Sensor helps you save energy by turning your air conditioner on/off automatically if it finds your window or door open for a certain amount of time.

Tapo T100

Smart Motion Sensor

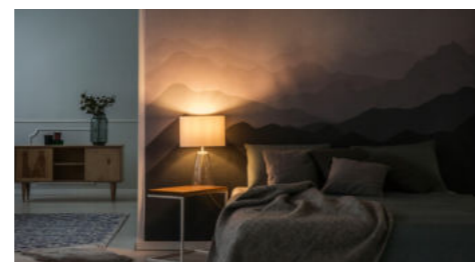

Zero-Touch Control to Free Up Your Hand

Set up triggers to activate smart lights/plugs—all with a simple wave of your hand. The smart light turns on automatically just as you walk into the garage or laundry room.

Automatic Night Sensor

Detects motion when you get up at night and automatically turns on your assigned Tapo lights, ensuring convenience and safety for peace of mind.

- **Low Battery Indicator** - Notifies you when the sensor is in low power status and needs to be replaced so you can keep batteries fresh for optimum performance.
- **Alarm System** - Get alerts via the dedicated app if your doors or windows are opened unexpectedly so you can ensure your home is safe and secure.
- **Easy to Install** - Tapo smart sensors adapt to anywhere in your home.

*These products are being developed and the pictures are design sketches for reference only.

Tapo S210
Smart Switch, 1-Gang 1-Way

▶ **Manage Multi-bulb Lighting In A Simple And Cost-Efficient Way**

Tapo Smart Switches make the perfect choice when your dining room and living room are decorated with multi-bulb chandeliers or pendant clusters. Smarten your whole room lighting with a single tap.

▶ **Flexible Installation With No Rewiring**

The Tapo Smart Switch can work without neutral wire, meaning that it does not require any rewiring or redecoration and is ideal for most homes. Simply replace the traditional switch with our Tapo Switch and your smart home lighting is ready.

Tapo S220
Smart Switch, 2-Gang 1-Way

▶ **Smart Control For All Family Members**

One can manage and control the room lighting either via the Tapo app or simply turn on/off the smart switch manually, which is convenient for each family member, especially the elderly and children.

▶ **Highest Compatibility With No Flickering**

Our product supports all common types of light bulb. And support light bulbs under 1000 W with no minimum wattage requirement. No flickering can be guaranteed.

- **Remote Control from Anywhere** - Instantly turn your home lighting on/off wherever you are via the Tapo app, without needing to fumble in the dark for the light switch.
- **Live Smarter at Anytime** - Schedule and Timer features support you to create weekly schedules.
- **Free Up Your Hands with Voice Control** - Works with Google Assistant and Amazon Alexa.
- **A Deterrent for Your Home** - Turn on Away Mode to simulate someone being at home.
- **Low Battery Indicator** - Notifies you when the sensor is in low power status so you can keep batteries fresh for optimum performance.

Smart Button

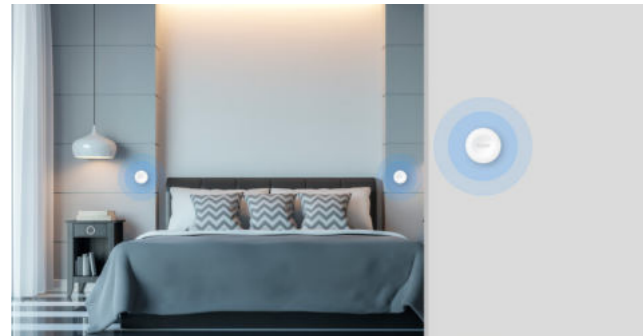

Tapo S200B

Smart Button

- **Customized Actions** - Single tap, double tap, long press options enable you to trigger three actions, all from one button.
- **Collective Control** - Control and set multiple lights, electronics, and other Tapo smart appliances with the button. Press the button (once, twice, long-press, or rotate) for your customized functions.
- **One-Click Alarm** - Press the button to notify you if anything happens to your vulnerable loved ones.
- **Control From Multiple Locations** - Control a ceiling light or other electrical fixture from multiple locations with Tapo smart buttons.
- **Hub Requirements** - Requires a Tapo smart hub to enjoy the flexibility of the button.
- **Flexible and Wireless Mounting** - Installs your Tapo smart button anywhere in your home within seconds.

Control From Multiple Locations

Tapo Smart Button enables to control multiple lights, electronics, and small appliances. It's possible to control your smart appliances from two or more locations.

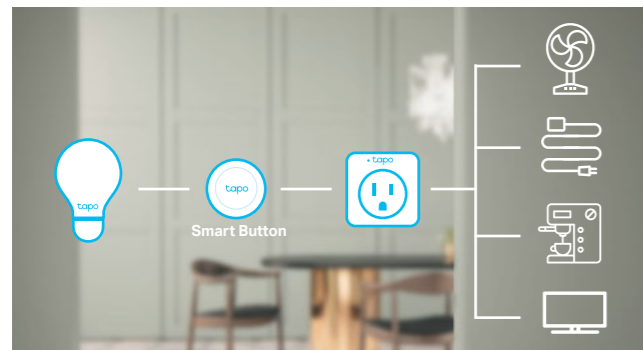

One-Click Alarm

Helps keep your vulnerable loved ones safe with a button for them to press the button to notify you if anything unfortunate happens. Install the Tapo Smart Button near the shower, tub, or toilet for the safety of elderly family members.

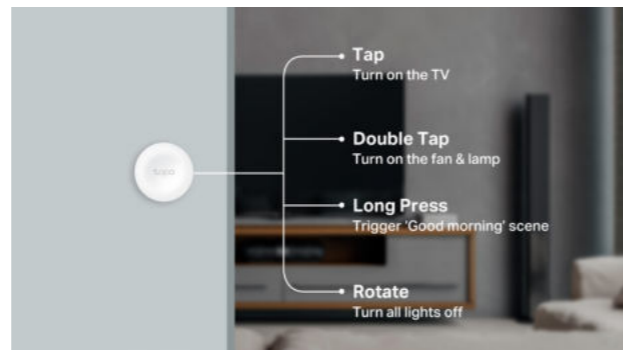

Collective Control

Set up the Tapo app to coordinate with other Tapo smart devices, such as lights and plugs. Press the button (once, twice, or long-press) for your customized functions.

4 Buttons in 1

You can program tap, double tap, long press, and rotate options to trigger four different actions with a single button. Enjoy more flexibility with a single programmable button and the Tapo Ecosystem.

Smart IoT Hub

Tapo H100

IoT Hub with Chime

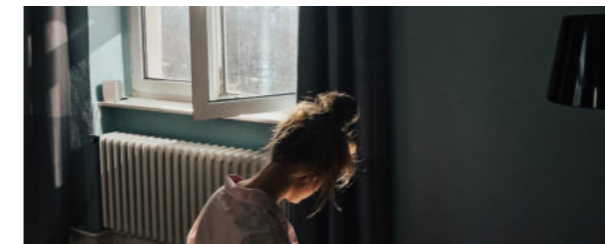

- Built-in multiple ringtones.
- Works as an alarm when coordinating with Tapo smart sensors.
- Works as a smart doorbell when coordinating with Tapo smart buttons.

Smart Energy Control System

—Save Energy, For You and Us.

Smart Energy Control

Configurable Window-Open Detection

Turn your thermostat on/off automatically if it finds your window or door open for a certain amount of time.

Never heat an empty home.
Don't pay to heat the neighborhood any more.

Schedule Your Temperature Routine

With the schedule feature, Tapo Smart Radiator Valve lets you preset day and night temperatures and helps adapt your heating to suit your routine.

Control From Anywhere

With the Tapo app, your thermostat is on your phone. From anywhere and anytime, you can adjust the temperature, learn how often it uses window-open detection to shut off the heating, and more. Just enjoy the peace of mind and comfortable life.

Get Started with Smart Radiator Valve

Tapo E100

Smart Radiator Valve

- LCD Display
- Group Control
- Away Mode
