WELCOME TO KASA

Let's get started with your new Smart Wi-Fi LED Bulb.

Kasa

SAFETY FIRST

Before starting, read the following safety precautions:

- **WARNING: RISK OF ELECTRIC SHOCK OR BURNS.** Switch OFF the light switch controlling the bulb and WAIT for the bulb to cool down before attempting to change it.
- Do not install the Smart Bulb with wet hands or when standing on wet or damp surfaces.
- Only use the control provided with or specified by the following instructions to control this Smart Bulb. This Smart Bulb will not operate properly when connected to a standard (incandescent) dimmer or dimming control.
- Suitable for use in operating environment between -15°C and 40°C (5°F and 104°F).
- NOT FOR EMERGENCY LIGHTING.

STEP 1
