

# Smart Wi-Fi LED Bulb

With Dimmable Soft White Light

LB200

Smart Home

No Hub Required

Dimming Options

Energy Saving

Kasa for Mobile

# Highlights

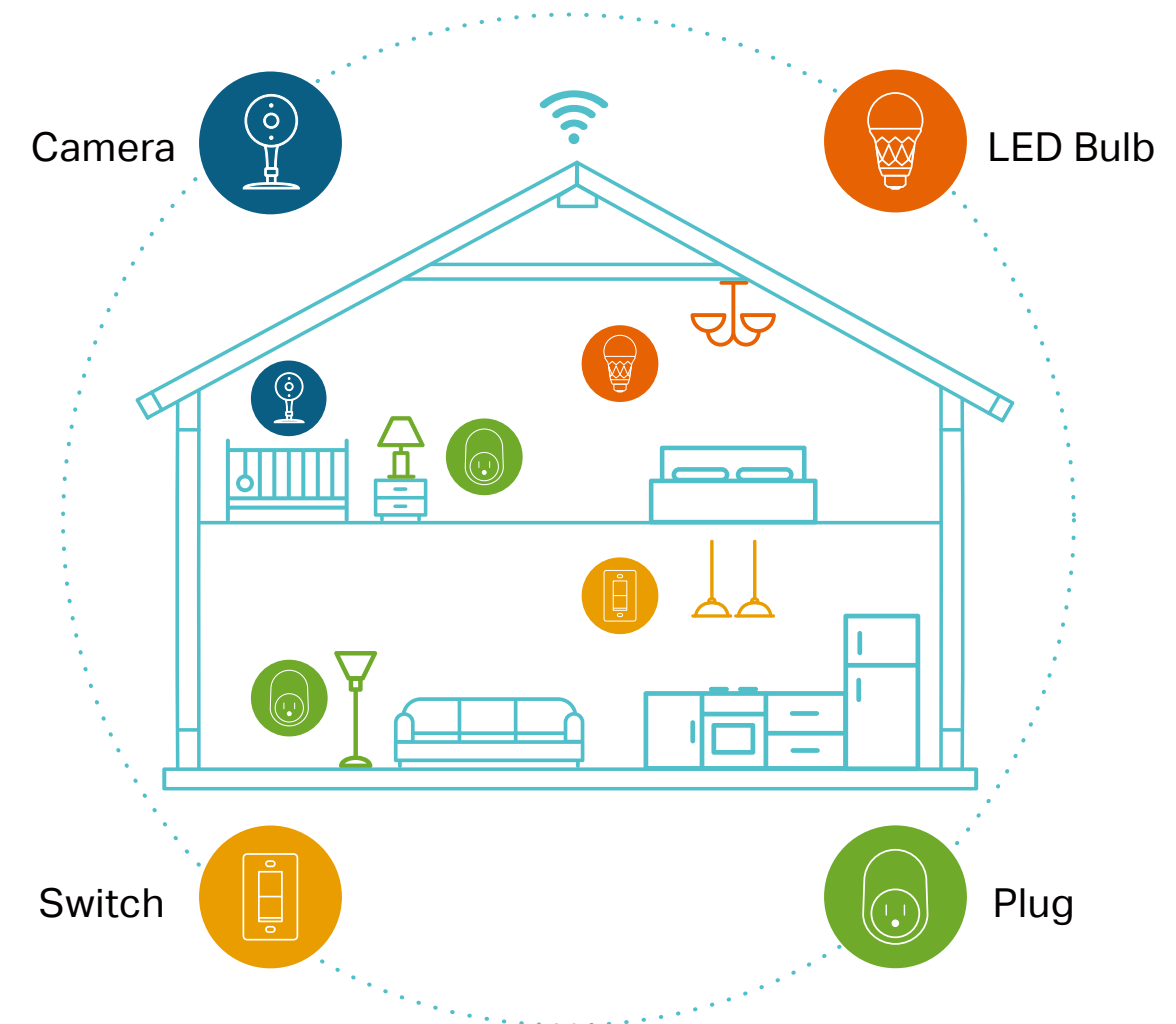

## Intelligent Lighting. Controlled from Anywhere.

Adjust brightness, track energy consumption, set schedules and timers and set an alarm that wakes you naturally by simulating the sunrise. Group lights together to control your smart bulbs more easily and create your own scenes.

## Your Home. One App.

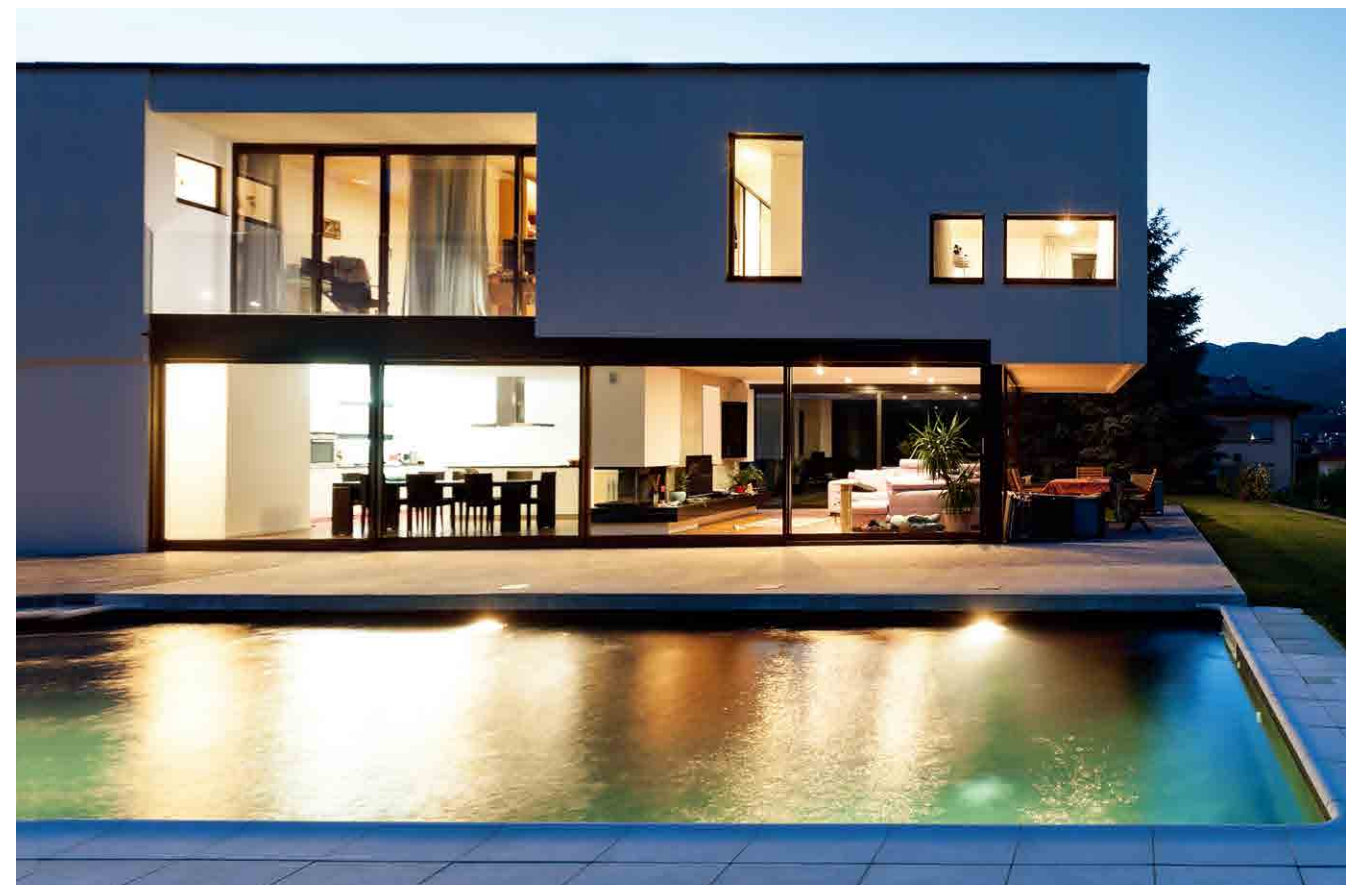

The LB200 is part of the Kasa smart home family of products, including plugs, switches, cameras and more. You can easily control multiple smart home devices with the Kasa app or use your voice for added convenience.

# Highlights

## Dimming Options

Set your ideal brightness based on the mood—from soft to bright light.

## Energy Saving

Reduce power usage without compromising on light quality. The LB200 produces 900 lumens while only using 12W.

# Features

## Ease of Use

- No Extra Hardware Required – Convenient smart bulbs with no extra hardware required
- Anywhere and Anytime – Easy setup and control from anywhere with the free Kasa app

- Works with Google Assistant – You can pair the smart bulbs with Google Assistant for voice control.
- Compatible with Android, iOS – The free Kasa app lets you run smart bulbs from any Android (4.1 and higher) or iOS (iOS 9 and higher) devices.

## Lighting

- Dimmable Light – Dimming flexible 900 lumens brightness\* white light with color temperature of 2700K for customized lighting
- Durable Bulb – Provide you stable and customized lighting for up to 22.8 years\*\*

\*72W equivalent

\*\*Based on 3hrs/day

# Specifications

## Working Status

- Typical Lumen Output: 900lm
- Power Consumption: 12W Max
- Stand-by (Light off) power: 0.42W
- Color Temperature: 2700K
- Rated Input Voltage: AC 100-120V 60Hz
- Beam Angle: 110 Degree Typical
- Dimmable: Yes (via app and cloud only)

## General

- Package Contents:
  - Smart Wi-Fi LED Bulb LB200
  - Quick Start Guide
- Lamp Base: E26
- Certifications: FCC, IC, UL, DoE, RoHS
- Operating Temperature: -15°C to +40°C
- Operating Humidity: 85% RH NC Max
- Weight: 222g

## Network

- Protocol: IEEE 802.11b/g/n
- Wireless Type: 2.4GHz
- System Requirements: Android 4.1 or higher, iOS 9 or higher
