How Tapo Makes Sense for Your Home Security

▶ Whole-Home Security, One-Stop Solution

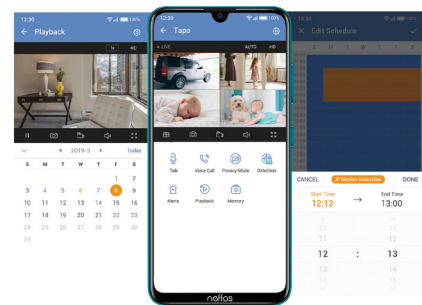

Based on rich experiences in network service and smart homes, Tapo has built a complete security ecosystem including cameras, doorbells, sensors, and more. Just enjoy your secure smart life with Tapo's one-stop, all-around care.

▶ All Devices in One App

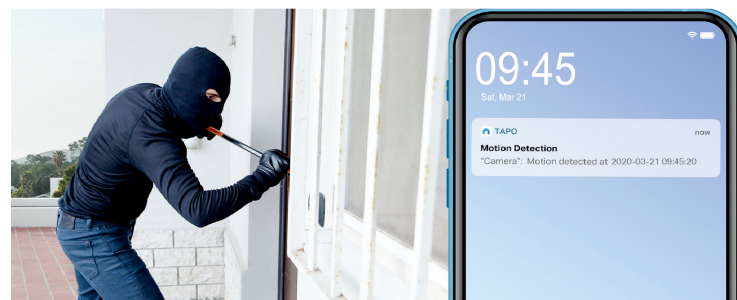

Remote & Customizable Control

Set up your own schedules, motion detection zones, or smart actions and remotely control all devices anytime and anywhere for a hands-free smart lifestyle.

Alarm & Notification

Always know what is happening or what has motion through a live view or playback on the Tapo app to receive real-time notifications. Never miss a thing.

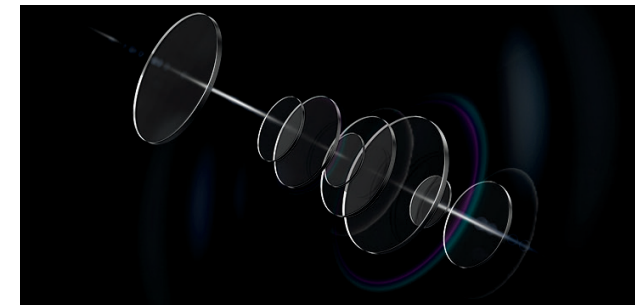

▶ Advanced Products, Powerful Functions

Cutting-Edge Technology for Lower-Light Conditions

Tapo C325WB & Tapo C525WB, Night-Piercing Color Vision Series

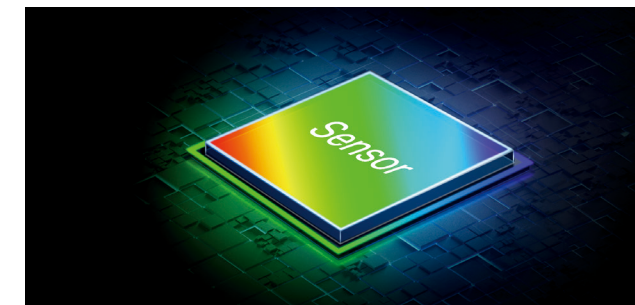

F1.0 Super-Aperture Lens

Captures 5x more light than traditional camera with F2.2, making it ideal for ultra-low light conditions.

1/1.79" Superior Sensor

The advanced 1/1.79" sensor has larger target surface and higher light sensitivity, which are key to reveal bright-color images in the dark.

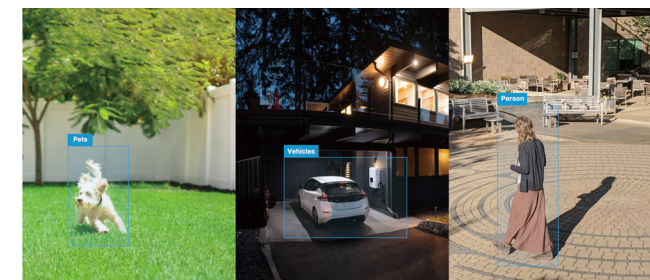

More Accurate AI Detection with High-Speed Tracking

Tapo C225 & Tapo C520WS, Pan/Tilt AI Security Cameras.

Less False Alerts, More Ease

Say goodbye to endless and annoying false alarms thanks to Tapo's advanced deep-learning algorithms bringing you much more ease.

360° High-Speed Motion Tracking

Tapo's pan/tilt security cameras provide 360° horizontal view range and high-speed motion tracking to capture everything around.

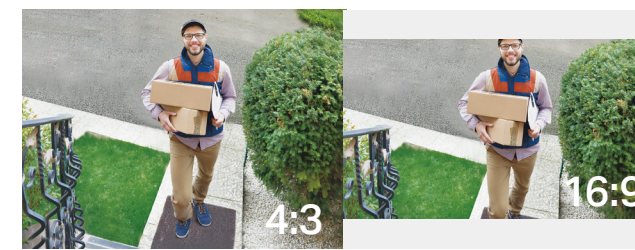

See Wider and Clearer Around the Door

Tapo D235 & Tapo D130, Smart Video Doorbell

180° Ultra-Wide FOV, Head-to-Toe Images

Enhance your security view by capturing 4:3 head-to-toe images with high resolution and 180° FOV.

Smarter Life with More Powerful Control Center

Tapo H900, Smart HomeBase*

Multi-Center of Smart Home

Enjoy your one-stop smart life with the HomeBase working as a device control center, video surveillance center, video storage center, and gateway supporting multiple wireless protocols.*

Strong Computing & Processing Power

Tapo H900 can encode/code recorded videos efficiently and provide premium AI functions such as animal/package detection for basic products that can only identify a person or motion.

Unlocking Your Smarter Life

Smart Video Door Lock*

7 Unlocking Options

Offers you more ease for more scenarios. Never lock yourself out again.

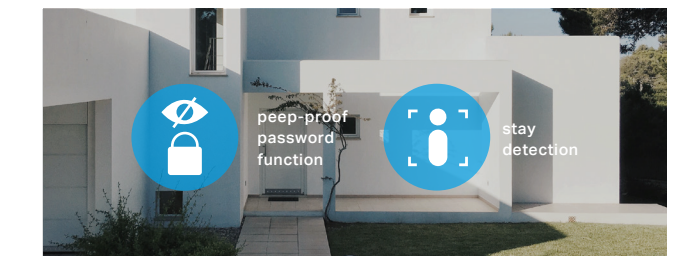

Face Recognition

Enables you and your family to quickly unlock the door with advanced face recognition.

Multiple Security Technology

Ensure your safety with an ANSI-certified lock cylinder, peep-proof password function, stay detection, and more.

2K QHD Video Doorbell

Reveals 2K QHD crystal clear views and lets you know what's outside your door.

Two-Way Audio

Communicate with visitors directly through a built-in microphone and speaker.

- **Remote Control**—Connect the smart door lock to your mobile phone through Wi-Fi or Bluetooth and then lock or unlock your door remotely, set your temporary password on the Tapo app anytime, anywhere you want.
- **Auto Unlock & Lock**—Automatically unlocks the door when you return home and locks the door once it's closed or after a period of time.
- **Smart Alarm System**—Triggers instant alarms to remind you of low battery, wrong password, or lock pried.
- **IP65 Weatherproof**—Helps the video door lock perform well even in harsh environments with rain and dust.
