

Omada Wi-Fi 7 Access Points

Beyond Fast, Built for Business.

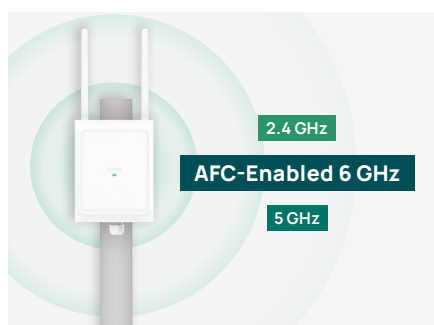

Key Advantages of Omada Wi-Fi 7 Access Points

Dedicated RF Scanning

Provides real-time situational awareness to mitigate RF interference and neutralize security threats, without impacting network performance.

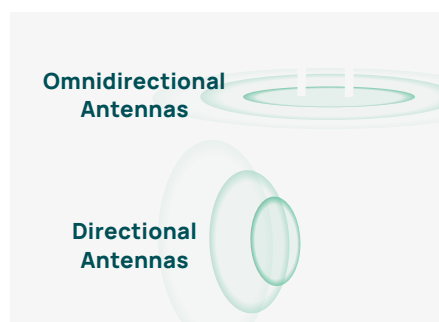

AFC-Enabled 6 GHz

AFC unlocks 6 GHz for outdoor use and maximizes indoor transmit power, enabling superior range and coverage anywhere.

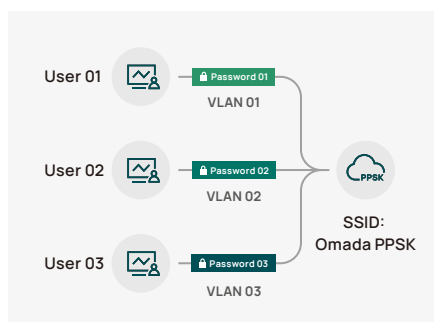

10G/2.5G Ports with Flexible PoE

Delivers multi-gigabit performance for higher bandwidth and faster Wi-Fi, featuring options for 10G or 2.5G uplink ports. Full PoE compatibility ensures flexible deployment.

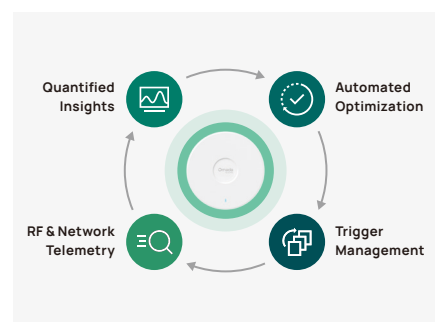

Switchable Omni/Directional Antennas

Dynamically adapt to any deployment scenario, effortlessly switching via software between omni-coverage for wide areas and a directional beam for extended range.

Full-Spectrum PPSK Security

Delivers granular PPSK authentication across the 2.4, 5, and 6 GHz bands. Assigns unique passwords to steer devices to the correct VLAN, ensuring robust security.

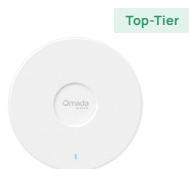

Adaptive WLAN Management

Autonomously optimizes radio configurations to resolve congestion and signal overlap, maximizing network efficiency and capacity.

Full Wi-Fi 7 Product Portfolio for Indoor and Outdoor Environments

Ceiling Mount Access Points

Omada 7 Max
EAP787

- Wi-Fi Speeds up to 15 Gbps
- Tri-Band 8-Stream
- Dedicated RF Scanning
- AFC-Enabled 6 GHz
- 1× 10G/2.5G Port
- 802.3bt/at PoE

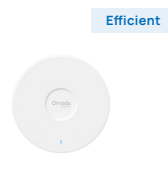

Omada 7 Pro X
EAP773

- Wi-Fi Speeds up to 11 Gbps
- Tri-Band 6-Stream
- AFC-Enabled 6 GHz*
- 1× 10G/2.5G Port
- 802.3at PoE

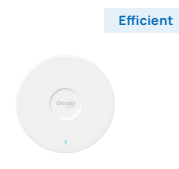

Omada 7 Pro
EAP772

- Wi-Fi Speeds up to 11 Gbps
- Tri-Band 6-Stream
- AFC-Enabled 6 GHz
- 1× 2.5G Port
- 802.3at PoE

Omada 7 UR
EAP727

- Wi-Fi Speeds up to 5 Gbps
- Dual-Band 5-Stream
- 1× 2.5G Port
- 802.3at PoE

Omada 7
EAP723

- Wi-Fi Speeds up to 5 Gbps
- Dual-Band 4-Stream
- 1× 2.5G Port
- 802.3at PoE

Outdoor Access Points

Omada 7 Pro Outdoor
EAP775-Outdoor

- Wi-Fi Speeds up to 11 Gbps
- Tri-Band 6-Stream
- Switchable Omni/Directional Antennas
- AFC-Enabled 6 GHz
- IP68 Weatherproof
- 1× 2.5G Port
- 802.3at PoE

Omada 7 Outdoor
EAP725-Outdoor

- Wi-Fi Speeds up to 5 Gbps
- Dual-Band 4-Stream
- Switchable Omni/Directional Antennas
- IP66 Weatherproof
- 1× 2.5G Port
- 802.3at PoE

Wall Plate Access Points

Omada 7 Pro Wall
EAP775-Wall

- Wi-Fi Speeds up to 11 Gbps
- Tri-Band 6-Stream
- Additional Paintable Cover
- 2× 2.5G Ports + 3× Gigabit Ports
- 802.3bt/at PoE
- PoE Out

Omada 7 Wall (V2)
EAP725-Wall

- Wi-Fi Speeds up to 5 Gbps
- Dual-Band 4-Stream
- 2× 2.5G Ports + 3× Gigabit Ports
- 802.3bt/at PoE
- PoE Out
