Resistance

2K QHD Head-to-Toe 180° DFOV

Experience superior clarity with 2K QHD resolution, surpassing traditional Full HD. The 180° ultra-wide field of view ensures you capture every detail, from head to toe, in a single glance.

Various Power Supply Methods

Wire-Free with Battery

The rechargeable 10000mAh battery greatly extends your usage and provides the flexibility to place it anywhere you need.*

8 Months

Hardwire Supported

Never miss a moment with hardwired, continuous 24/7 video recording.**

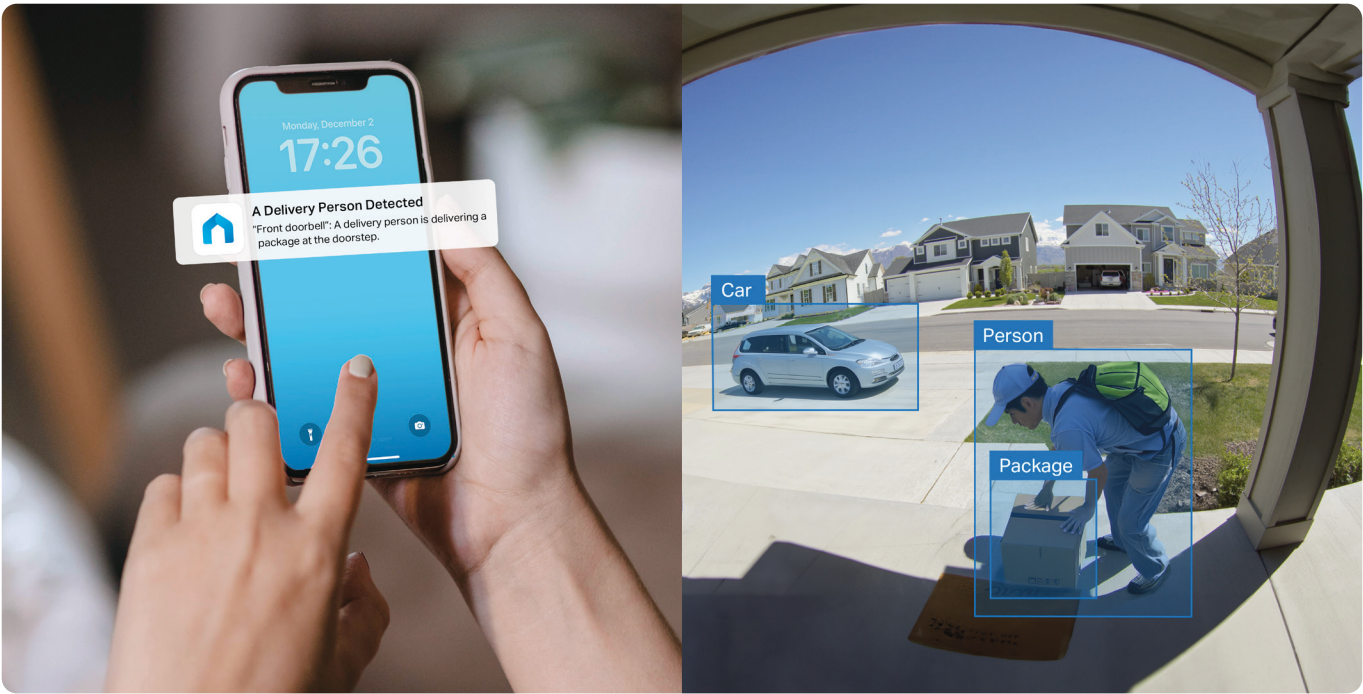

24/7

Continuous Recording

AI Detection & Rich Smartphone Alerts

Enhance your security with AI that differentiates between people, vehicles, pets, and packages, sending you rich alerts for more relevant notifications.***

Flexible Reply Options for Every Home

Choose how to respond to visitors with three convenient options: answer via phone call, engage in two-way audio with clear communication, or quickly select a preset response from the app. Stay connected and never miss a visitor, no matter where you are.

Ring Call

Answer the door without opening the App.

Video Call

Talk to visitors in real time via two-way audio.

Preset Quick Response

Send a preset reply when you're busy.

*Actual battery life may vary due to device settings, usage, router specifications, and environmental factors.
**This mode does not support the use of existing chimes.
***The notification function for detecting an accurate person is under development.
