

Deploying Stronger Connections for Sagility Philippines with Omada

Sagility Philippines

📍 Alabang and Bridgetown QC

📅 2024 - Ongoing

🌐 BPO Solution

Sagility combines industry-leading technology and transformation-driven BPM services with decades of healthcare domain expertise to help clients draw closer to their members. The company optimizes the entire member/patient experience through service offerings for clinical, case management, member engagement, provider solutions, payment integrity, claims cost containment, and analytics. Sagility has more than 25,000 employees across 5 countries.

1 Challenges

Challenges include familiarity with Omada Solutions, coordinating the installation schedule, completing office construction, and securing the availability of the Telco network.

2 Reasons for Choosing Omada

Omada Access point solution suited the client's business needs.

3 Successful Results

Successful installation of Omada Networking solution. Client is satisfied and they are planning to install another set upon the completion of construction of their new office in Iloilo and Bohol in 2025.
