 Outdoor Solution

Dahilayan Adventure Park in Bukidnon is Mindanao's premier destination for thrill-seekers, featuring Asia's Longest Dual Zipline and the country's first zipline roller coaster, the Python Rollerzip. Set 4,700 feet above sea level, it offers breathtaking mountain views, cool weather, and exciting rides for all ages—making it a top choice for adventure and family fun in the Philippines.

1 Challenges

As one of Mindanao's top adventure destinations, Dahilayan Adventure Park needed a comprehensive surveillance system to ensure visitor safety across its wide outdoor area and thrilling attractions. To provide clear visuals in high-altitude, foggy, and fast-moving environments despite changing weather conditions.

2 Reasons for Choosing VIGI

The park chose our VIGI CCTV solutions for excellent high-definition clarity, weatherproof durability, and advanced motion-tracking features that capture every moment of action. The system's wide coverage and remote monitoring capabilities made it ideal for overseeing rides like the Asia's Longest Dual Zipline and Python Rollerzip.

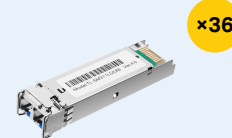

3 Successful Results

With the VIGI CCTV Cameras Dahilayan Adventure Park achieved enhanced visitor safety, efficient ride monitoring, and improved operational control. The surveillance system now ensures guests can enjoy their extreme adventures with confidence — knowing they're protected at every turn.
