

# Powering Seamless Connectivity for the 47<sup>th</sup> ASEAN Summit Media Centre

## The 47<sup>th</sup> ASEAN Summit

 Kuala Lumpur, Malaysia

 October 26–28, 2025

 MICE / Event Infrastructure

ASEAN (Association of Southeast Asian Nations) unites countries across Southeast Asia to foster economic integration, regional stability, and collaborative growth. Its summit gathers leaders to shape policies and strengthen partnerships across the region.

### 1 Challenges

The International Media Centre needed a high-performance, secure network that could handle heavy user traffic and bandwidth demands, operate reliably in an interference-prone environment, provide full indoor and outdoor coverage, support flexible temporary deployment, and enable real-time monitoring.

### 2 Reasons for Choosing Omada

Omada was selected for its ultra-high capacity, fast speeds, centralized management, seamless roaming, flexible deployment, and strong security—delivering a complete, efficient network solution.

### 3 Successful Results

Delivered stable, high-speed connectivity with seamless user experience, 99.9% uptime, and a secure, scalable, efficiently managed network.
