01 / Set Up Your Camera

1. Attach the included adhesive to the back of the metal plate properly.

2. Wipe off the dust from the surface, stick the metal plate with the adhesive to the clean wall, and press it down for 15 seconds to ensure the plate is firmly attached. Then attach the camera to the plate.

Note: After setup, you can press the Privacy/Reset button once to turn off Privacy Mode and the camera lens will appear.

If the camera lens is hidden, do not manually push the lens cap up to prevent scratches.

Note: This is applicable with tile, glass, marble, metal, stainless steel, and hard wall surfaces.

3M Adhesive

Note: The adhesive is for one-time use. Avoid re-using the adhesive to ensure its adhesion.

02 / Install Your Camera

Option 1: Set on a table or shelf

1. Place the camera on your desired table or shelf.

2. Adjust the stand angle to the notch position in the base for more stability.

Before You Start

Position your camera’s adjustable stand for setup.

Note: After setup, you can press the Privacy/Reset button once to turn off Privacy Mode and the camera lens will appear.

If the camera lens is hidden, do not manually push the lens cap up to prevent scratches.

DOWNLOAD APP

Get the Tapo app from the App Store or Google Play.

POWER UP

Plug in your camera and wait until the LED blinks red and blue.

SET UP

Tap the button in the app and select your model. Follow the app instructions to complete setup.

Option 2: Mount to metallic surfaces

The camera has a magnet in its base, allowing magnetic attachment to metallic surfaces.

Option 3: Stick to a clean wall

1. Attach the included adhesive to the back of the metal plate properly.

2. Wipe off the dust from the surface, stick the metal plate with the adhesive to the clean wall, and press it down for 15 seconds to ensure the plate is firmly attached. Then attach the camera to the plate.

Note: This is applicable with tile, glass, marble, metal, stainless steel, and hard wall surfaces.

6 mm (1/4 in.)

Note: This is applicable with tile, glass, marble, metal, stainless steel, and hard wall surfaces.

3M Adhesive
