Quick Start Guide
Home Security
Wi-Fi Camera

STEP 1
DOWNLOAD APP
Get the Tapo app from the App Store or Google Play.

STEP 2
POWER UP
Plug in your camera and wait until the LED blinks red and green.

STEP 3
SET UP
Tap the button in the app and select your model. Follow app instructions to complete setup.

Mounting Kit

- Camera
- Mounting Template
- Screws
- Anchors (for wall mounting)

Setup Video
Scan QR code or visit https://www.tp-link.com/support/setup-video/cloud-cameras

*Images may differ from actual products.
Mounting Instructions

1. Mark Position
Place the mounting template where you want the camera.
For wall mounting, drill two holes (Ø=6mm) through two circles.

2. Affix Screws
Affix two mounting screws with the help of mounting template.
For wall mounting, insert two anchors into holes and screw the screws into the anchors.

3. Secure Camera
Hang your camera on the screws.

Appearance

Reset Button
While the camera is powered on, press and hold the Reset button for at least 5 seconds until the LED blinks red. The camera will reset and reboot.

microSD Card Slot
Insert a microSD card and initialize it on the Tapo app for local recording.
