### Package Contents

A 1-pack product contains the following contents, while a 5-pack provides five sets of accessories and one installation guide.

Note: Accessories may vary by region and model.

### Installation

Note: Only some models will be locked after installed, indicated by the mark on the rear panel and an included L-Key. To uninstall, see the **Appendix** on the back page.

#### Option 1

Ceiling Mounting (on a Tile)

#### Option 2

Ceiling Mounting (on a T-bar)

#### Option 3

Wall Mounting

#### Option 4

Junction Box Mounting

#### Option 1

Option 3

Option 4

Choose the accessory screws that fit your junction box. Compatible wall junctions are as follows:

For simplicity, an 86 mm wall junction box is used as an example.

Power On

Option 1: Via PoE Switch

Option 2: Via Power Adapter

Appendix

Cable Concealment

Note: To avoid device damage, do not insert any objects into the holes for attaching the cover!

Uninstalling the AP

Configuration

Option 1: Standalone Mode

Configure and manage each EAP on its standalone page.

Option 2: Controller Mode

Configure and manage EAPs (and other Omada devices) centrally with an Omada Controller.

Omada App

With the TP-Link Omada app, you can access and manage your Omada devices at a local site or remotely with a tap of your phone.

More Configurations

For more configurations, refer to the User Guides of the Omada Controller and Omada Access Points at: <https://support.omadanetworks.com/document/>

Safety Information

- Keep the device away from water, fire, humidity or hot environments.
- Do not attempt to disassemble, repair, or modify the device. If you need service, please contact us.
- Do not use the device where wireless devices are not allowed.
- The EAP can be powered only by a power adapter or a PSE device (such as a PoE switch) which complies with Power Source Class 2 (PS2) or Limited Power Source (LPS) defined in the standard of IEC 62368-1.

For models with adapters:

- Do not use damaged charger or USB cable to charge the device.
- Do not use any other chargers than those recommended.
- Adapter shall be installed near the equipment and shall be easily accessible.

TP-Link hereby declares that the Access Point is in compliance with the essential requirements and other relevant provisions of directives 2014/53/EU, 2009/125/EC, 2011 /65/EU, and (EU) 2015/863. The original EU Declaration of Conformity may be found at <https://www.tp-link.com/en/support/ce/>

TP-Link hereby declares that the Access Point is in compliance with the essential requirements and other relevant provisions of the Radio Equipment Regulations 2017. The original UK Declaration of Conformity may be found at <https://www.tp-link.com/support/ukca/>
