Package Contents

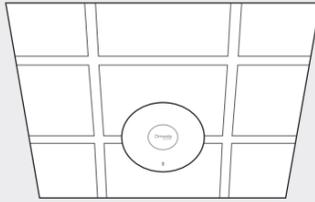

Note: Accessories may vary by region and model.

Installation

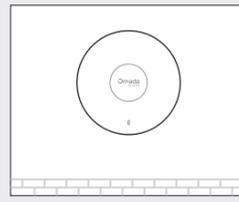

Option 1
Ceiling Mounting (on a Tile)

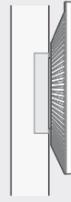

Option 2
Ceiling Mounting (on a T-bar)

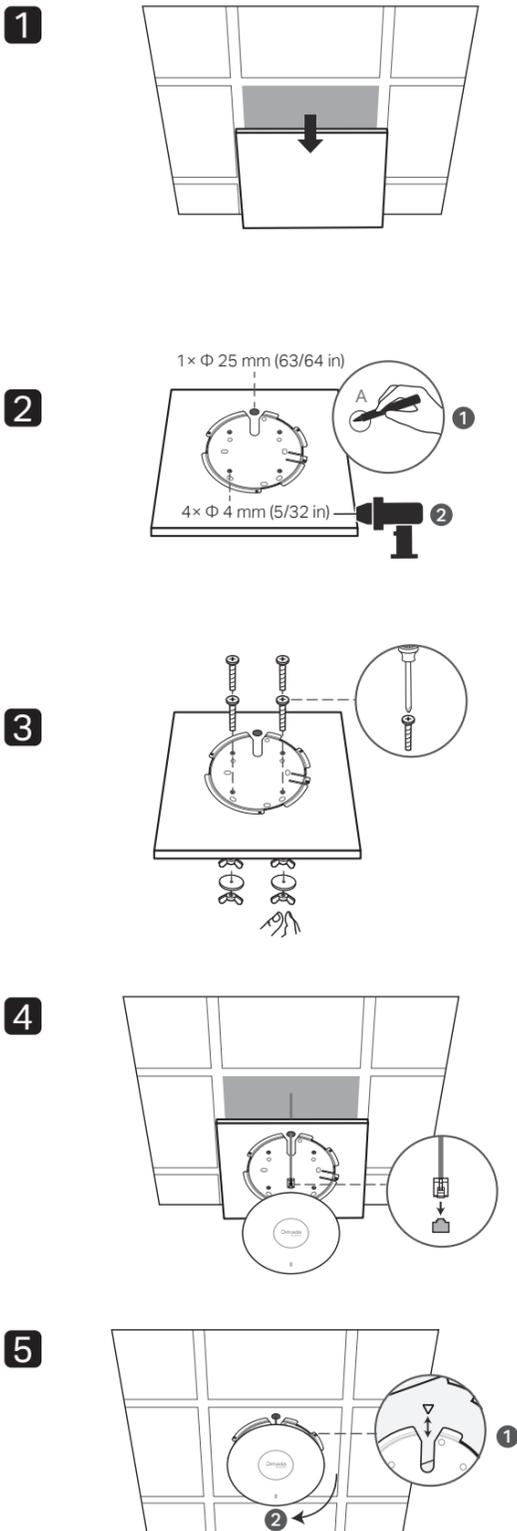

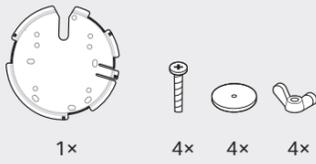

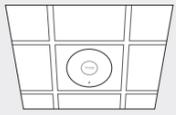

Option 3
Wall Mounting

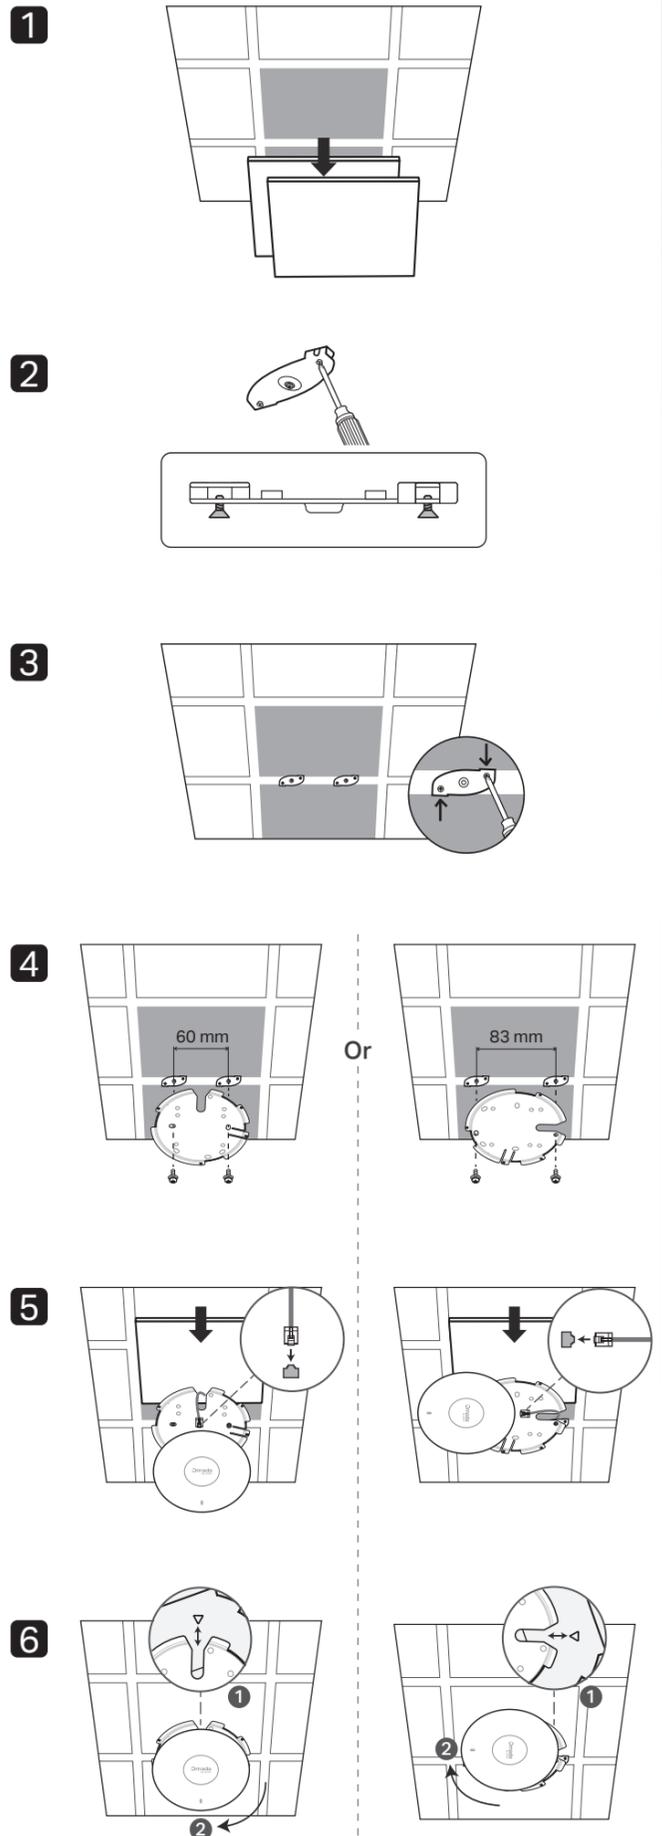

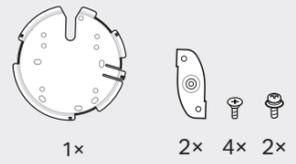

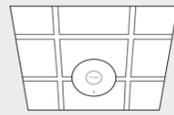

Option 4
Junction Box Mounting

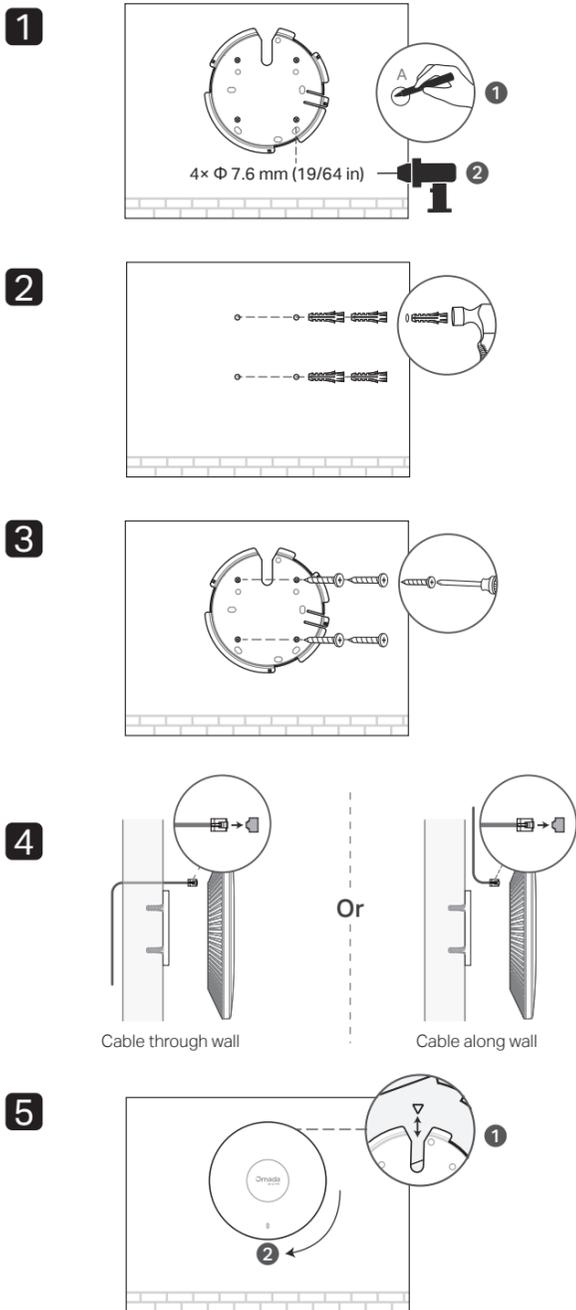

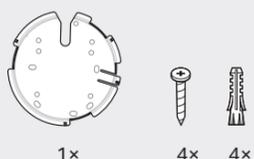

Option 1

Option 2

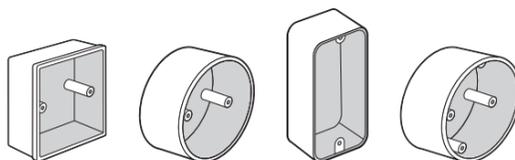

Option 3

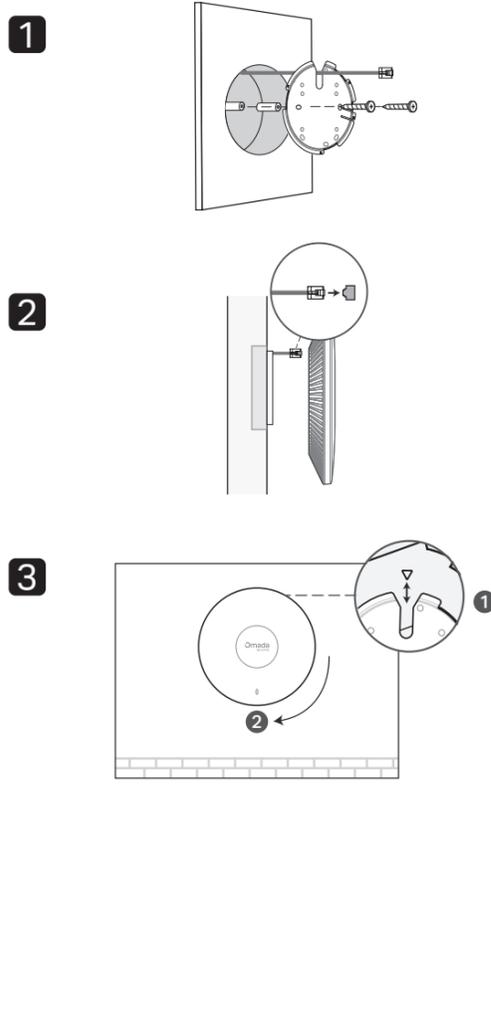

Option 4

Choose the accessory screws that fit your junction box. Compatible wall junctions are as follows:

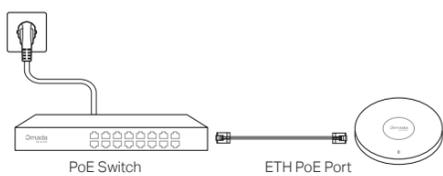

For simplicity, an 86 mm wall junction box is used as an example.

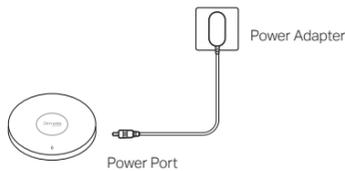

Power On

Option 1: Via PoE Switch

Option 2: Via Power Adapter

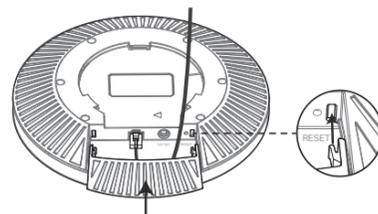

Appendix

Cable Concealment

(Only for some models)

1 ×

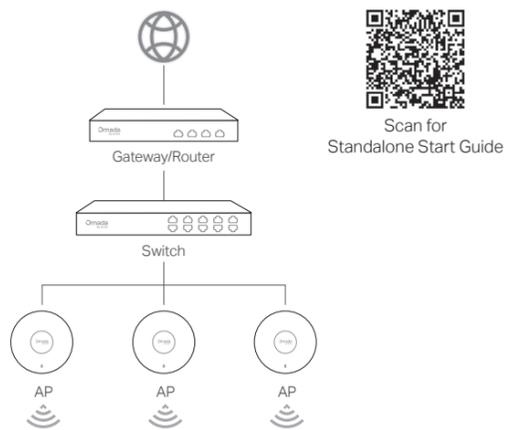

Note: To avoid device damage, do not insert any objects into the holes for attaching the cover!

Configuration

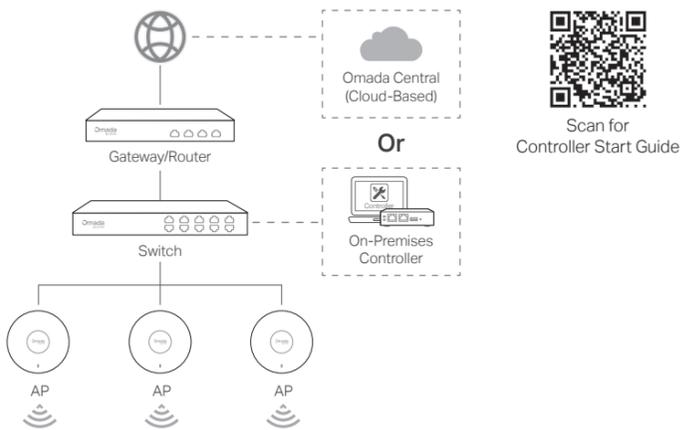

Option 1: Standalone Mode

Configure and manage each AP on its standalone page.

Option 2: Controller Mode

Configure and manage APs centrally with an Omada Pro Controller.

Omada App

With the TP-Link Omada app, you can access and manage your Omada devices at a local site or remotely with a tap of your phone.

More Configurations

For more configurations, refer to the User Guides of the Access Points and Controller at: <https://support.omadanetworks.com/document/>

Safety Information

- Keep the device away from water, fire, humidity or hot environments.
- Do not attempt to disassemble, repair, or modify the device. If you need service, please contact us.
- Do not use the device where wireless devices are not allowed.
- (For IN version) The AP can be powered only by a power adapter or a PSE device (such as a PoE switch) which complies with Limited Power Source (LPS) of IEC 60950-1. (For other versions) The AP can be powered only by a power adapter or a PSE device (such as a PoE switch) which complies with Power Source Class 2 (PS2) or Limited Power Source (LPS) defined in the standard of IEC 62368-1.
- Use only power supplies listed in the user instructions. Refer to the User Manual on the product support page.

TP-Link hereby declares that the Access Point is in compliance with the essential requirements and other relevant provisions of directives 2014/53/EU, 2009/125/EC, 2011/65/EU, and (EU) 2015/863. The original EU Declaration of Conformity may be found at <https://www.tp-link.com/en/support/ce/>

TP-Link hereby declares that the Access Point is in compliance with the essential requirements and other relevant provisions of the Radio Equipment Regulations 2017. The original UK Declaration of Conformity may be found at <https://www.tp-link.com/support/ukca/>
