Wonderful Lighting Effects

Pick from a variety of animated effects for a unique lighting experience. Addressable LEDs allow you to create your ambiance in tons of fun colors and levels of brightness, including cool to warm whites.

Smart Lighting Controls

Schedule your light strip to achieve effortless automation. Combine it with other Tapo devices for seamless control, especially when you're sprucing up your home with consistent lighting.

// Особенности

- **No Hub Required** - Connect to your home's secure Wi-Fi network. No need for a hub or extra equipment.
- **Wind Down at Night** – Install the Light Strip to relax your body and mind through a mood-setting atmosphere.
- **Flexible Installation*** – Cut it to whatever length you want and attach it to any surface with the 3M adhesive.
- **Connect It Your Way** - Use it with your smart assistant, a hub, or connect directly to the Tapo App. Control the Light Strip however you want.
- **Group** - Combine your Light Strip with other Tapo devices for seamless control with a single tap on your phone.
- **Preset for Convenience** - Found your favorite lighting for watching movies? Save it as a setting you can simply select for future movie nights.
- **Schedule & Timer** - Create schedules and count plans to turn on/off with the brightness/color you set.
- **Away Mode** – Automatically simulate someone being at home to frighten away, unwanted visitors.
