

Kasa Smart Wi-Fi Outdoor Dimmer

KP405

Highlights

Smart Dimming

Enjoy your smart home outside with this weather-resistant smart dimmer. Freely adjust the brightness of connected lights outdoors with the Kasa Smart app or use voice commands via Alexa or Google Assistant for hands-free control.

Note:

1. Works with dimmable LED and incandescent lighting.
2. Double tapping the power button of the outdoor dimmer will adjust brightness as is specified in preset.
3. The app screen depicted is for visual reference only and does not necessarily represent actual product operation or app appearance.

Made for the Outdoors

The certified IP64 rating and weather-resistant cover ensure protection against dust intrusion and splashes of water. When not in use, the sockets should remain capped with the included weather-resistant cover.

Highlights

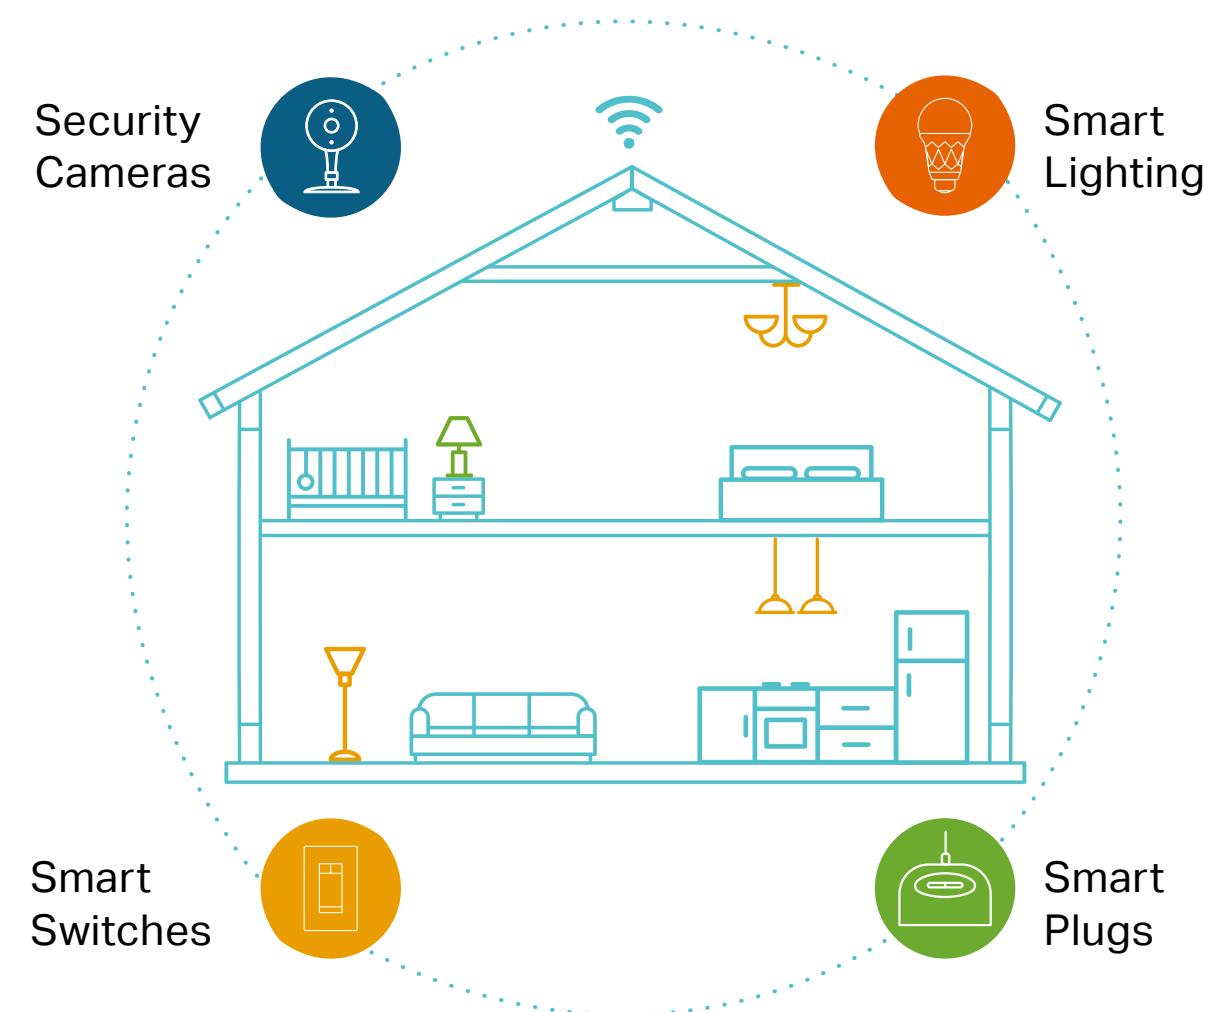

Control Even with Your Hands Full

Enjoying a barbecue outdoors and have your hands full of condiments or food? Just use a simple voice command to turn outdoor lights on or off, or adjust the brightness as you like.

Your Home. One App.

Turn your home into a true smart home with Kasa Smart. Automate your lights and appliances with smart plugs, bulbs, and switches. Secure your home with Kasa cameras. Control it all from the Kasa Smart app.
