Tapo Smart Motion Sensor

**Tapo T100**  Tapo Hub Required

- Motion Detection
- Sensitivity Control
- Magnetic Mounting
- Work with Tapo devices

Works with Amazon Alexa
Tapo is the easy way to turn your home into a smart home. With the Tapo Hub as a bridge, Tapo Smart Sensor works with a wide range of Tapo accessories. So you can easily control and monitor your home from anywhere.
Automate your home for all your needs

Build Smart Alarm
Trigger alarm to frighten away unwanted visitors and send you notifications via Tapo app when motion is detected.

Set Night Light
Automatically turns on your assigned smart lights when you get up at night.

Set Automatic Lighting
The smart light turns on as people come and go, then turn off automatically after 2 minutes.
Features

- **Wide Range Detection** – Captures motion up to 23 ft. (7m) away and through 120° view.
- **Smart Actions** – Activate your Tapo devices whenever motion is detected for security or home automation.
- **Energy Saving** – Automatically turn on connected smart devices when you come and go.
- **Real-Time Notifications** – Trigger Hub alarm and send you notifications via Tapo app whenever motion is detected.
- **Easy Installation** – Mount it by attached 3M adhesive or the build-in magnets.
- **Battery Powered** – Battery-powered design with 1+ year battery life.
- **Device Sharing** – Easily share management permissions with each member of your family.
- **Easy Setup and Use** – Set up quickly and easily through the free Tapo app.
