// Features

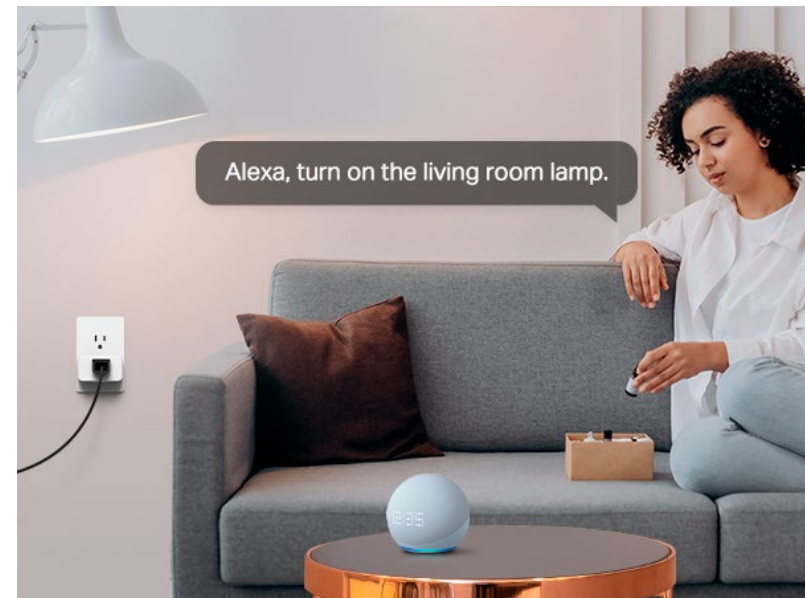

Matter, All-Round Compatibility

With Matter support, using one app to control all smart devices is no longer a fantasy. Integrate Tapo P110M into your favorite ecosystems to create a unified smart home.

Voice Control^Δ

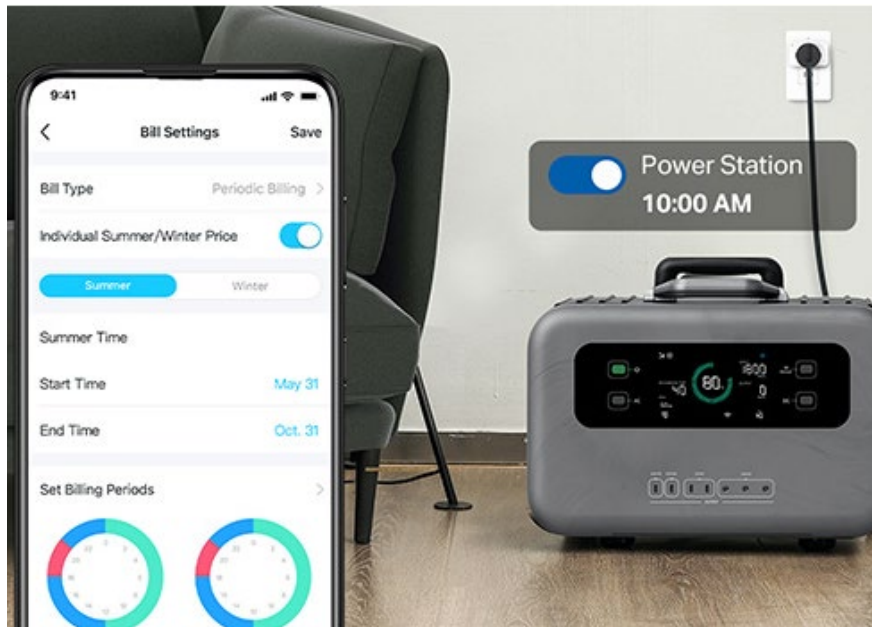

Control your devices with simple voice commands using Siri®, Amazon Alexa, Google Assistant or the SmartThings app, without having to leave your spot.

// Features

Energy Monitoring

Keep track of the real-time energy consumption of your connected devices and reduce unnecessary energy loss while lowering your electric bills with the Schedule and Timer features.

Smart Charge Guard

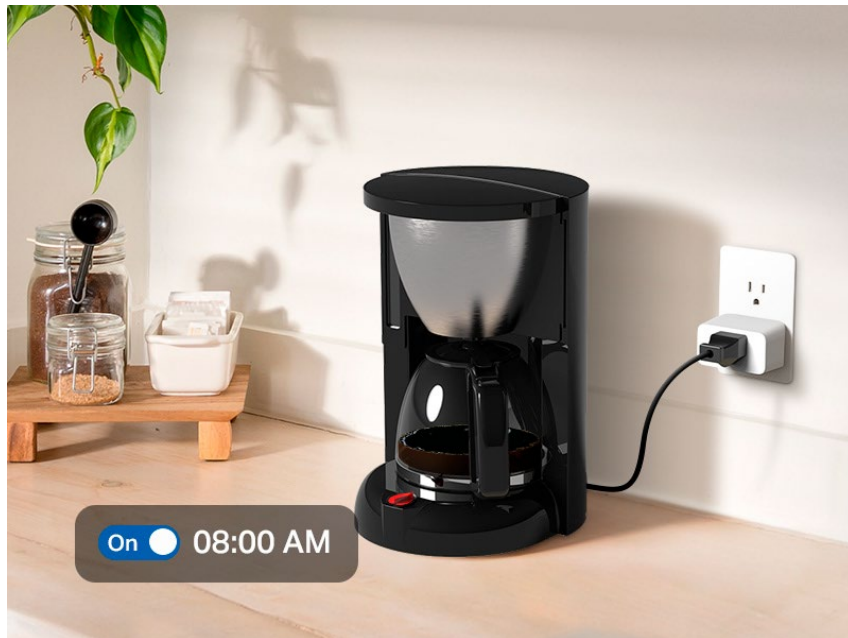

Auto-shuts off when devices hit your set low power threshold for set duration, preventing overcharging and reducing energy expenses.

// Features

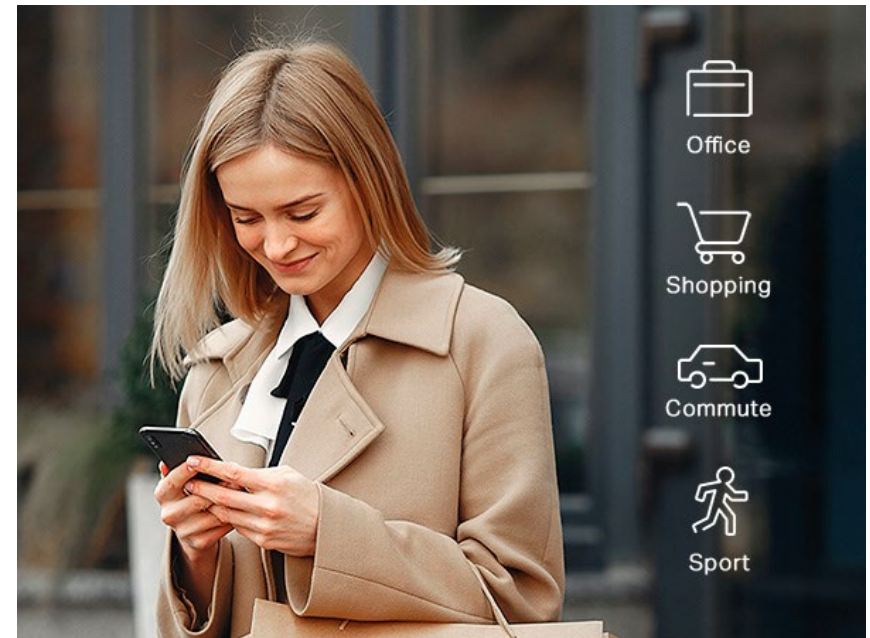

Live Smarter by Presetting Time

The Schedule and Timer features enable you to create weekly schedules and countdown plans, adding convenience to your life.

Remote Control

Manage your connected devices from anywhere with the Tapo app. Designed to simplify your life and help eliminate potential safety hazards.
