

Kasa Smart Wi-Fi Light Switch

Single Pole

White

Light Almond

Black

HS200

Highlights

Voice Control

Use simple voice commands to control your smart light switch with Alexa, Google Assistant, or Samsung Bixby.

Remote Control

Control your connected lights from anywhere, anytime via the free Kasa Smart app.

Highlights

Set Schedules

Automated your connected lights to sync up with your daily routine and preferences.

Away Mode

Set your smart light switch to turn connected fixtures on and off at random intervals to give the appearance you're home even while you're away.

Features

- **Delayed Shutoff**

Set your lights to remain on for a predetermined period of time after they are turned off so that you have time to exit the room.

- **Easy Installation**

The Kasa Smart app includes detailed, easy-to-follow, step-by-step instructions for installation.

- **UL Certified**

Housed with V-0 (UL94) flame-retardant material, the smart light switch is UL listed for safety use.

- **Group & Secene**

Group your smart switch with other smart devices to control them all at once. Set custom scenes to match any occasion like waking up.

- **No Hub Required**

Easily connect directly to your secured 2.4GHz home Wi-Fi network.

- **Led Indicator**

With an illuminating LED indicator, you'll always be able to find your smart light switch even when it's dark.
