TAPO
Product Guide

Smart. Secure. Easy.

OUR STORY

The smart home market has undergone significant growth in recent years. With Kasa targeting mainstream and high-end consumers, TP-Link has established a new independent brand, Tapo.

For the foreseeable future, Tapo will develop intelligent household Appliances that allow everyone to adopt a smart home lifestyle at an affordable price. That's why we insist on Tapo being Smart, Secure and Easy.

Working with its parent company, Tapo takes advantages of its industry awareness and reliable in-house manufacturing to ensure quality.

Make the Seamless Switch to Smart Living

Smart Switch

Tapo S210 & S220

WORKS WITH alexa

works with the Google Assistant

Manage Multi-bulb Lighting in A Simple and Cost-Efficient Way

Tapo Smart Swtiches make the perfect choice when your dining room and living room are decorated with multi-bulb chandeliers or pendant clusters. Smarten your whole room lighting with a single tap.

Smart Control for All Family Members

One can manage and control the room lighting either via Tapo App or simply turn on/off the smart switch manually, which is convenient for each family member, especially the elderly and children.

Flexible Installation with No Rewiring

Tapo Smart Switch can work without neutral wire, meaning that it does not require any rewiring or redecoration and is ideal for most homes. Simply replace the traditional switch with our Tapo Switch and your smart home lighting is ready.

Highest Compatibility with No Flickering

Our product supports all common types of light bulb. This product also supports light bulbs under 1000 W with no minimum wattage requirement.No flickering can be guaranteed.

- **Remote Control from Anywhere** - Instantly turn your home lighting on/off wherever you are via Tapo App, without needing to fumble in the dark for the light switch.
- **Live Smarter at Anytime** - Schedule and Timer features support you to create weekly schedules.
- **Free Up Your Hands with Voice Control** - Works with Google Assistant and Amazon Alexa.
- **A Deterrent for Your Home** - Turn on Away Mode to simulate someone being at home.
- **Low Battery Indicator** - Notifies you when the switch is in low power status so you can keep batteries fresh for optimum performance.
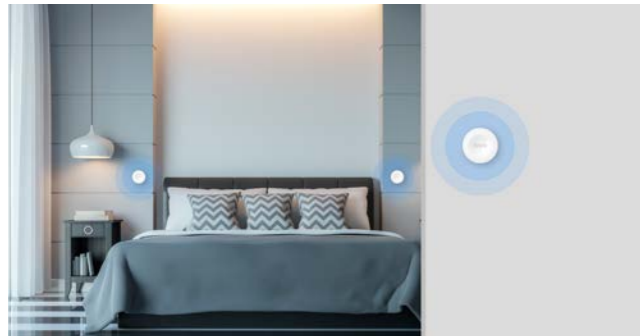

Control It Your Way

Smart Button

Tapo S200D & S200B
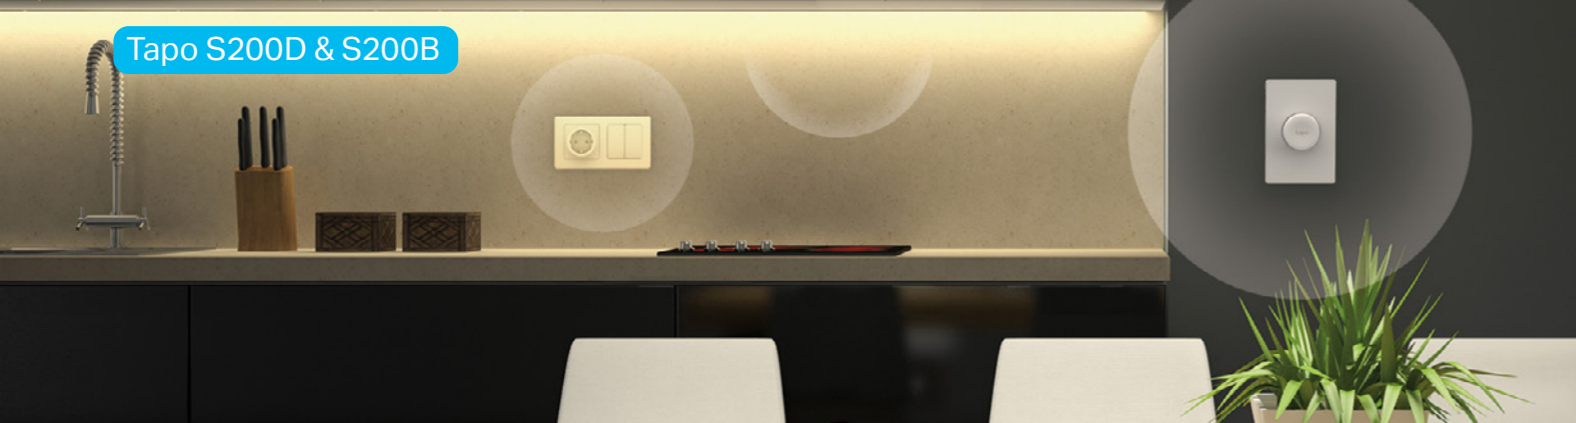

❯ Control From Multiple Locations

Tapo smart button enables to control multiple lights, electronics, and small Appliances. It's possible to control your smart Appliances from two or more locations.

❯ One-Click Alarm

Helps keep your vulnerable loved ones safe with a button for them to press the button to notify you if anything unfortunate hAppens. Install Tapo smart button near the shower, tub, or toilet for the safety of elderly family members.

❯ Collective Control

Set up Tapo App to coordinate with other Tapo small devices, such as lights and plugs. Press the button (once, twice, or rotate) for your customized functions.
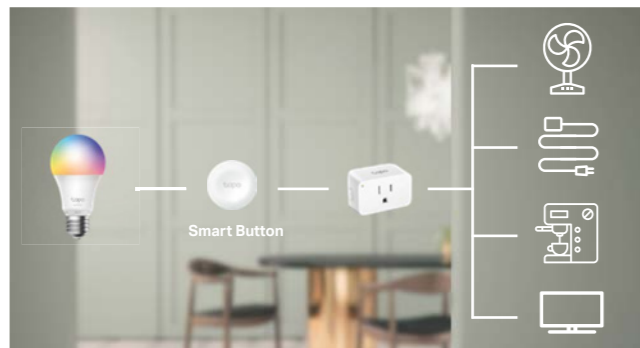

Smart Button

❯ 3 Buttons in 1

You can program tap, double tap, and rotate options to trigger four different actions with a single button. Enjoy more flexibility with a single programmable button and Tapo Ecosystem.

Tap
Turn on the Light

Double Tap
Change the Light Effects

Rotate
Change the Brightness or Color Temperature
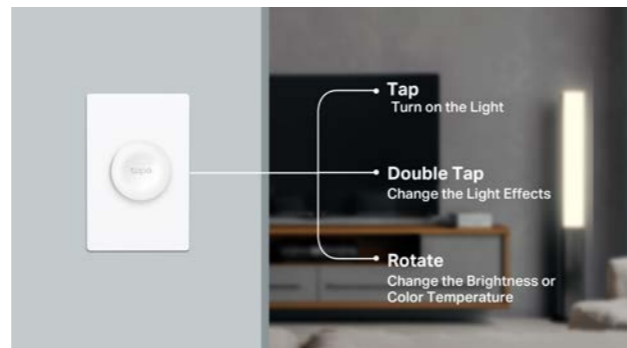

Smart IoT Hub ❯

Tapo H100

IoT Hub with Chime

- Built-in multiple ringtones.
- Works as an alarm when coordinating with Tapo smart sensors.
- Works as a smart doorbell when coordinating with Tapo smart buttons.

Smart Sensors ❯

❯ Window and Door Checks

Use the contact sensor to check whether you've closed all your doors and windows and make sure you're not heating or cooling the whole neighborhood.

❯ Energy Saving

Tapo Smart Contact Sensor helps you save energy by turning your air conditioner on/off automatically if it finds your window or door open for a certain amount of time.

Tapo T110
**Smart Contact Sensor**
Hub Required

❯ Zero-Touch Control to Free Up Your Hand

Set up triggers to activate smart lights/plugs —all with a simple wave of your hand. The smart light turns on automatically just as you walk into the garage or laundry room.

❯ Automatic Night Sensor

Detects motion when you get up at night and automatically turns on your assigned Tapo lights, ensuring convenience and safety for peace of mind.

Tapo T100
Smart Motion Sensor
Hub Required
- **Low Battery Indicator** – Notifies you when the sensor is in low power status and needs to be replaced so you can keep batteries fresh for optimum performance.
- **Alarm System** – Get alerts via the dedicated App if your doors or windows are opened unexpectedly so you can ensure your home is safe and secure.

Seamlessly blend lighting colors at the same time in a single light strip. The colors flow naturally to create a perfect lighting atmosphere for festivals and parties.

Durable PU Coating

PU coating to cover the whole light strip, avoiding surface scratching.

Additional White Lamp Beads

Brighter.

- **Adjust with Ease** - Manage the lighting at your fingertips to create the perfect atmosphere in your home.
- **Set Your Times** - Create a regular schedule to turn on/off with light effect you set.
