Tapo Brand Profile

Tapo's journey is driven by a simple belief: that technology should enhance lives and empower individuals to embrace the future. Aimed at offering users an exceptionally smart lifestyle, Tapo provides easy-to-use smart living products and comprehensive whole home solutions, including smart security, entry solution, cleaning, lighting, automation, and the user-friendly Tapo app. This extensive selection ensures that consumers can find the perfect solutions to meet their specific needs and preferences.

Tapo remains steadfast in its commitment to being "Smart, Secure, and Easy." The brand continuously refines and expands its product line, incorporating the latest technological advancements while prioritizing the user experience. Seamlessly integrate technology with Tapo—your trusted companion on the journey towards a smarter, more connected future.

Tapo Whole Home Solution

Unleash the full potential of your smart home with Tapo smart home devices. In the intelligent appliances market, Tapo boasts a diverse product line: smart homebases, doorbells, door locks, cameras, robot vacuums, lights, switches, plugs & outlets, and sensors. Tapo delivers seamless smart connectivity while maintaining open compatibility with diverse ecosystems. These devices are a smart, secure, and easy home upgrade, freeing you from daily chores.

Smarter Living, Effortless Comfort

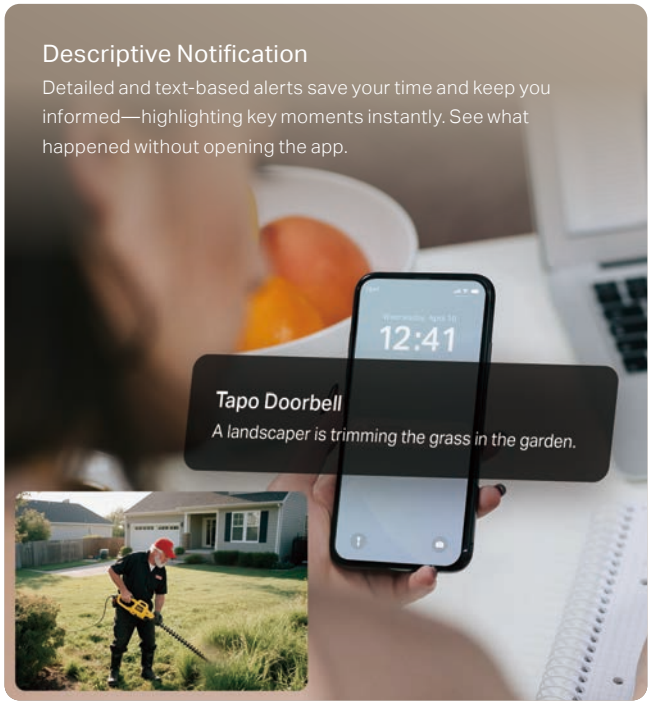

Imagine walking into a home that adjusts the lights just the way you like, sets the perfect temperature, and keeps your home secure—all without you lifting a finger. With Tapo AI and Smart Actions, experience seamless control and intelligent automation for a home that truly understands you.

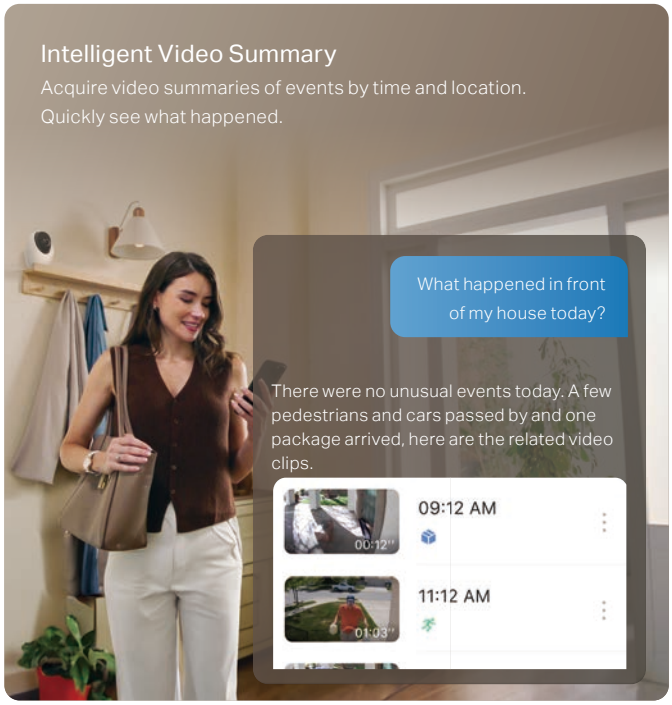

Tapo AI

Meet Tapo AI, your built-in smart home assistant in the Tapo app. It streamlines daily routines, boosts device efficiency, and enhances security indoors and out. Get instant responses and smart suggestions for a safer, more convenient home.

Empower Your Daily Video Monitoring

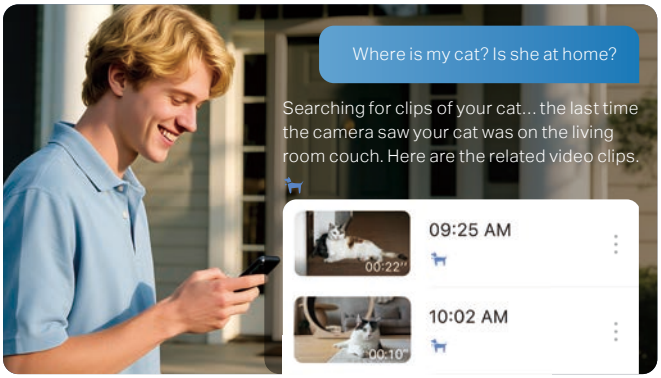

Tapo AI saves you time and keeps you informed by delivering detailed, text-based alerts and summaries directly to your app and allows you to quickly pinpoint specific events without wading through hours of footage. No matter where you are, stay informed.

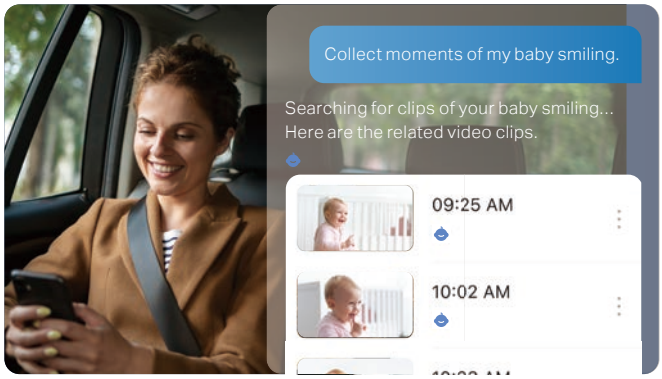

Intelligent Video Search

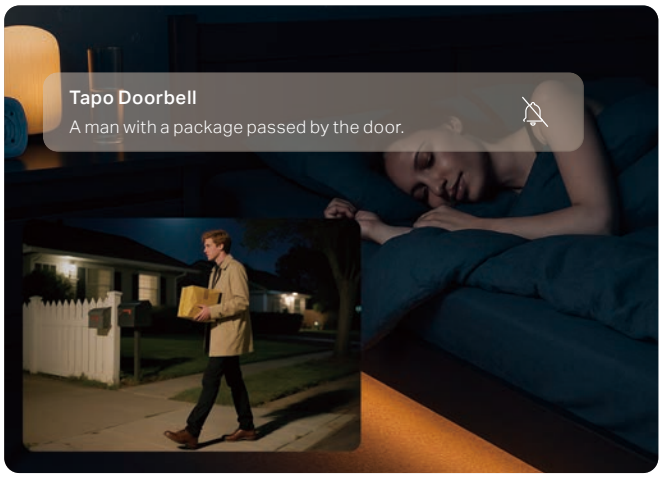

Tapo AI helps you find playback content of interest within seconds. No need to manually review footage.

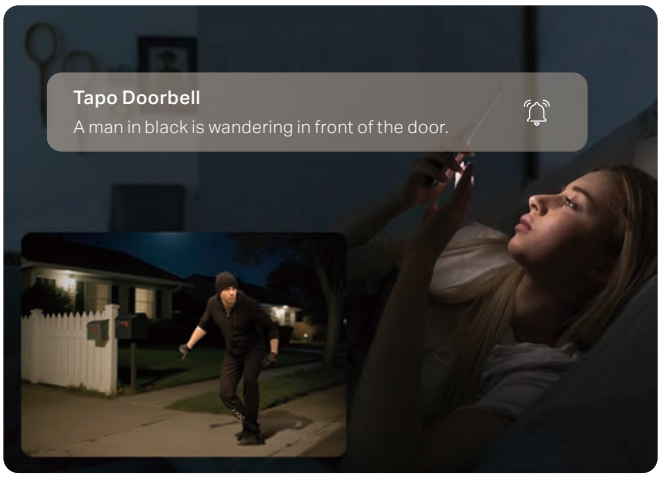

Smart Notification Filter

Tapo AI mutes unimportant and repetitive event notifications to focus on what matters without spam alerts.

Smart Danger Alert

Tapo AI recognizes danger and triggers a ring call during emergencies to safeguard your home.

Tapo AI Understands Your Command

Tapo AI streamlines home automation by generating rules from natural language and offering tailored recommendations. It guides users through Tapo features, summarizes data on demand, and enables device control via simple commands, delivering fast, accessible automation.

The final functionality may differ from what is displayed here. Please refer to the Tapo app for updates.

Tapo App Smart Actions

Unleash the full potential of your smart home with Tapo Smart Actions. With Shortcuts, create personalized scenes with just a tap for the perfect ambience. Set Automations based on different triggers and let your devices adapt to your lifestyle effortlessly.

Effortless and Convenient

Tailored and Personalized

Time-Saving

Energy- Efficient

Improved Security

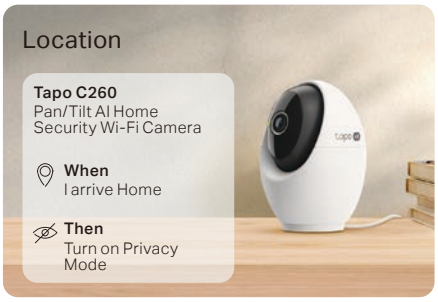

Your Vibe in One Tap

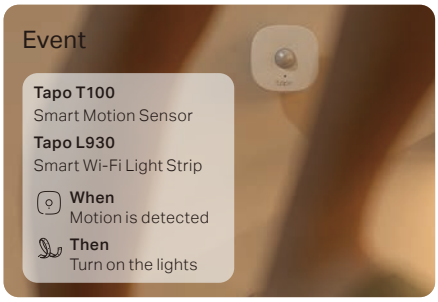

Seamlessly control multiple devices simultaneously with the Shortcut function and create the ideal setting for any occasion.

Automation Based on Different Triggers

Elevate Your Automation with Advanced "If" Conditions

Customize automation rules with specific conditions to achieve fine-tuned device control, saving energy and minimizing waste. Enjoy unparalleled control that caters to your needs.

Privacy First

At Tapo, your privacy and security are the foundation of every innovation we deliver. From globally recognized certifications to robust encryption and protocols, we fortify your data at every layer.

Certified Information Security Management Systems

Certified Personal Information Management Systems

Implements Advanced Data Encryption Technology

At Tapo, we put your data security first. Your private information is protected with advanced encryption, trusted cloud partners, and strict global privacy standards—so you can enjoy smart home convenience with complete peace of mind.

Encrypted Cloud Storage Service

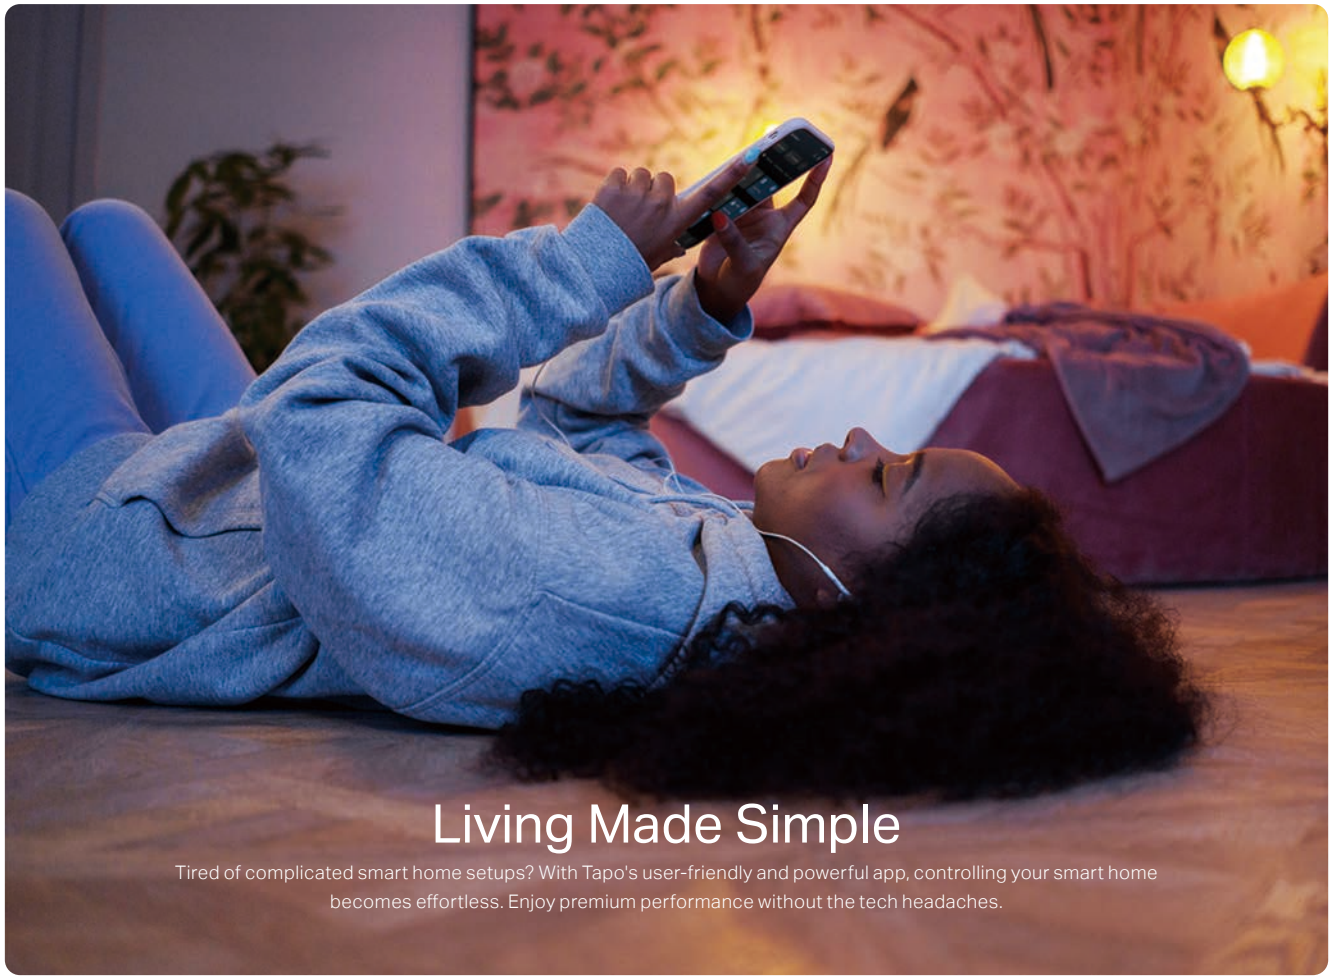

Worried about smart home privacy risks? Tapo guards your footage and data with AES 128-bit encryption and the TLS 1.2 encryption protocol.

Responsive and Powerful Cloud Performance

Backed by AWS, Tapo guarantees lightning-fast response times for a seamless user experience.

Living Made Simple

Tired of complicated smart home setups? With Tapo's user-friendly and powerful app, controlling your smart home becomes effortless. Enjoy premium performance without the tech headaches.

Smart HomeBases

Your Smart Home Center

In today's rapidly evolving digital era, households increasingly adopt various smart devices to enhance comfort, security, and energy efficiency. However, managing multiple devices from different brands often results in fragmented control, complex operations, and inconsistent user experiences.

Tapo Smart Hub addresses these challenges by serving as the central control point for the modern smart home. By integrating lighting, temperature control, security systems into a single, unified platform, Tapo Smart Hub enables seamless coordination and centralized management.

For Whole-Home Control—Right from a Central Display

Crisp and responsive control interface supporting video intercom, CCTV monitorin, alarm system, lot hub.

For Easier Control Shared by the Whole Family

When all smart devices are tied to a single Tapo account, it's difficult for other family members to manage them—especially for the elderly or children unfamiliar with the app.

H600 solves this with multi-screen system support, allowing placement in different areas so each family member can use it directly.

2-in-1, All-Around Awareness, Down-to-the-Detail Protection

Monitor two separate areas at the same time with just one camera. Reduce blind spots and get a more thorough, comprehensive overview of your home.

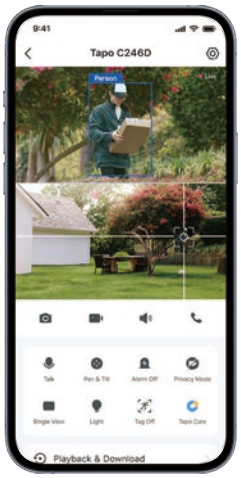

See the Full Story While Keeping an Eye on Everything

When someone steps into view - a delivery man, your child, or even your pet - the fixed wide-angle lens captures the full scene, while the pan/tilt lens automatically follows the action, so you see both the big picture and every move.

Focus on What Matters with Just One Tap

Spotted someone near your fence in the wide-angle view? One tap and the telephoto lens takes over with sharp focus.

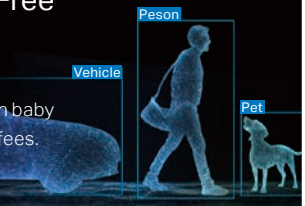

Cover More of Your Property

With a 125° FOV wide-angle lens, you can watch over your front porch, driveway, and yard all at once with no need for multiple cameras.

Stay Informed with Free Smart AI Detection

Recognizes and notifies you of people, pets, vehicles, and even baby cries without any subscription fees.

Details You'd Normally Miss, Now in Clear View

The 6mm telephoto lens delivers 3× more clarity compared to standard lens and supports up to 10.8× digital zoom, ensuring every detail is clearly visible when you zoom in.

Flexible Local & Cloud Storage

Store up to 512 GB of video on a microSD card†, or opt for cloud storage‡ with a 30-day free trial.

Your Indoor & Outdoor Surveillance Solution

Its compact, IP65 weather-resistant design is easy to install and supports flexible placement—whether on a tabletop, mounted to a wall, or attached to a pole.

Robot Vacuums Simplify Your Smart Home

Vacuum smarter. Mop simpler. Tapo Robot Vacuums free you from mundane, thankless chores, giving you more quality time to enjoy life.

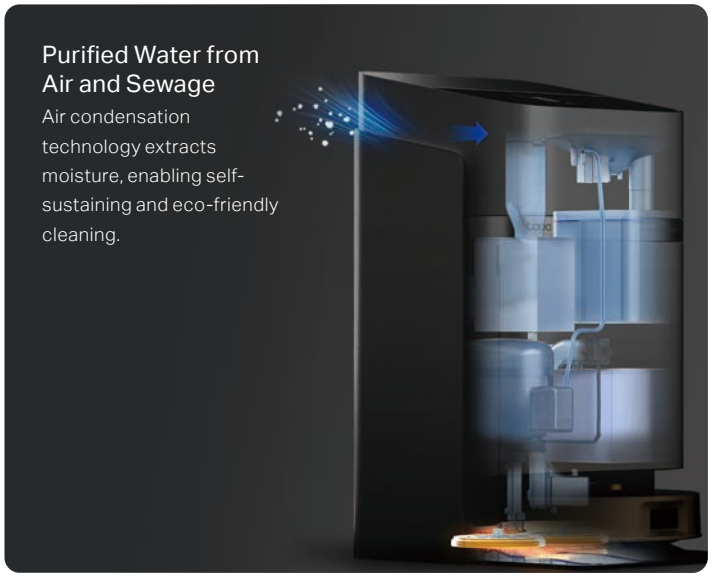

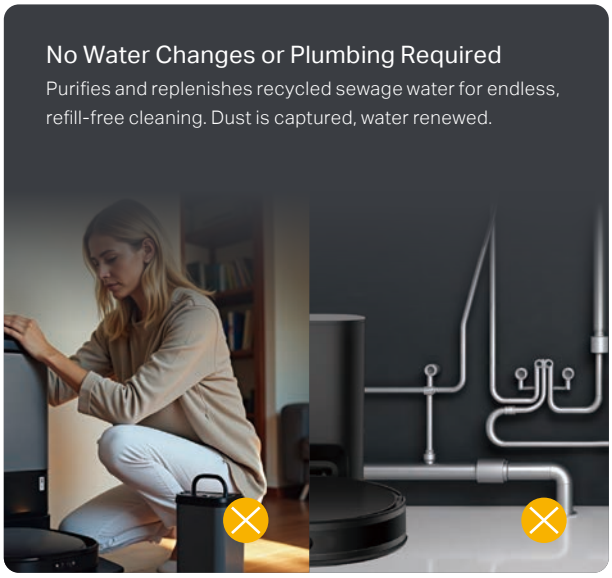

tapo
AI ROBOT VACUUM

All-in-One Dock

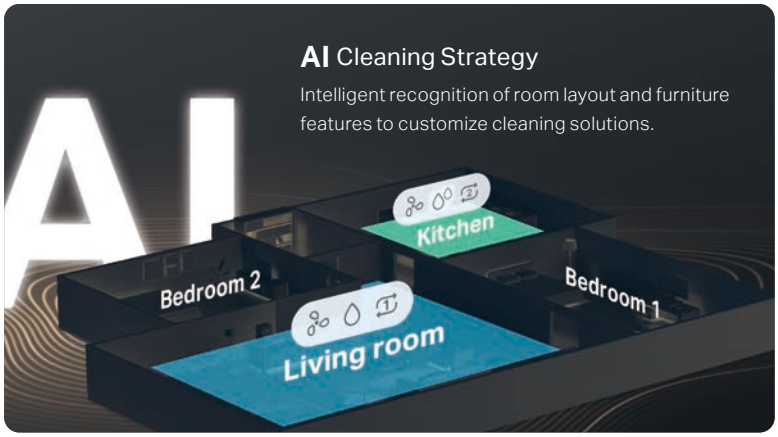

Take a Rest. Let AI Handle What's Next

AI Cleaning Strategy

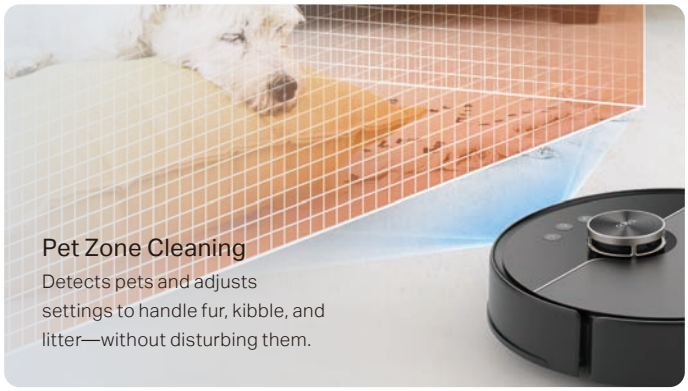

Intelligent recognition of room layout and furniture features to customize cleaning solutions.

Advanced AI Obstacle Avoidance

Recognizes and avoids items like cables, slippers and pet messes, ensuring efficient cleaning.

Extra Care for Your Furry Friends

Pet Zone Cleaning

Detects pets and adjusts settings to handle fur, kibble, and litter—without disturbing them.

Pet Video Call

Spots your pets and captures their playful moments for lasting memories.

Plug into The Smart Life

Extend the convenience of smart control to your traditional appliances by setting schedules or timers based on your daily routine and preferences. With the Tapo app, you can manage all your connected devices anytime, anywhere, bringing seamless control to your entire home.

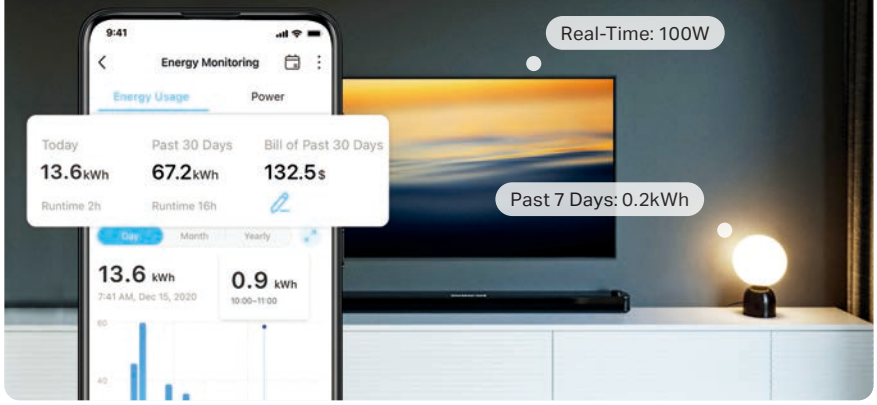

Effortless Energy Management

Energy Monitoring 2.0

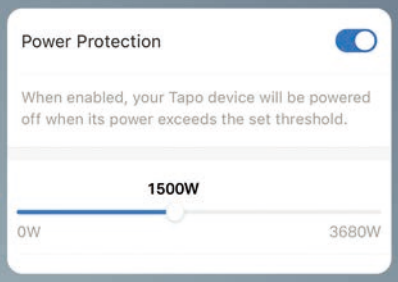

Insightful Energy Tracking

The smart plug reads data frequently, providing comprehensive insights into your home appliances' power consumption with intuitive and straightforward data visualizations.

Improved Power Safety

Your connected device will automatically shut off when the power exceeds the set threshold, protecting your household's safety.

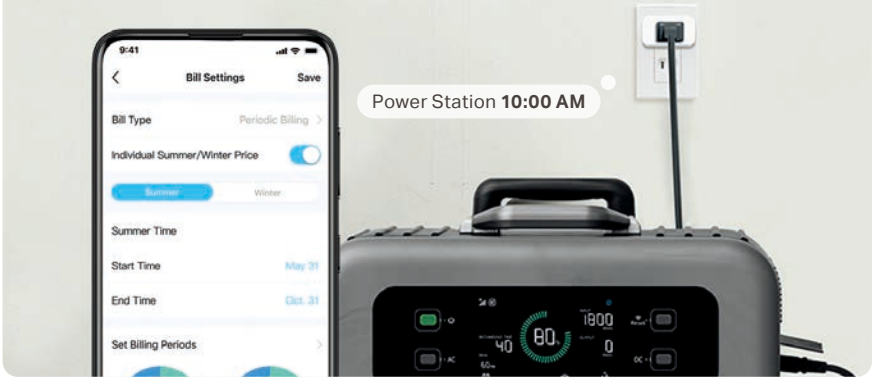

Anti-Overcharging

When your phone is fully charged, the current is automatically switched off, preventing overcharging and extending its battery life.

Estimate Your Energy Bill

Set your electricity rate to estimate energy bills. Use Tapo smart plugs to automatically turn on your power-hungry devices during off-peak periods to lower energy bills.

For Everyday Indoor Use

Compact Design
Designed to fit in anywhere without blocking adjacent outlets.

Schedule & Timer
Set schedules to automatically turn on/off your devices according to your daily routine and preferences.

Anti-Overcharging
When devices are fully charged, the outlet will automatically switch off.

APP & Voice Control
Turn connected devices on/off wherever you are via the Tapo app.

For Multiple Indoor Devices

All-in-One Convenience
Charge or control several devices simultaneously with just one smart power strip.

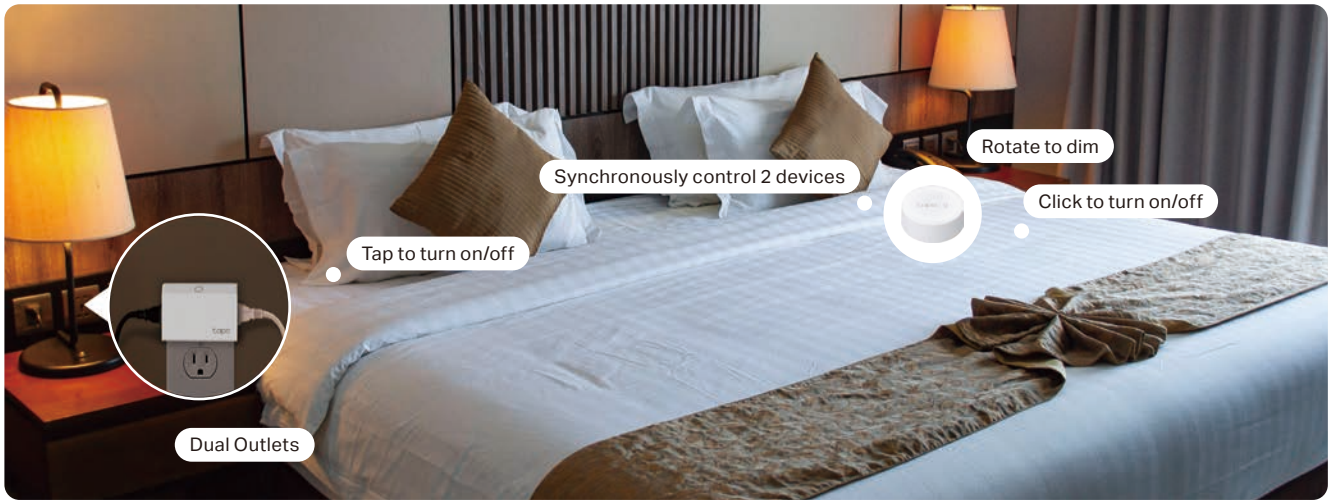

5-Way Safety Guarantee
Built-in overload protection, surge protection, overheat protection, childsafety shutter, and V-0 (UL94) flame-retardant material keep your home safe.[‡]

Control Each Device Separately
Control each plugged-in device separately. Schedule or switch them based on your daily routine.

Fast-Charging USB Ports
Deliver up to 20 W of power, charging your phone to 50% in just 30 minutes. Perfect for quick top-ups before heading out or during busy days when every minute counts.

[‡]Features may vary by model. Not all safety features are available on every device.

For Smart Lighting & Ambience Control

Brightness Control with Fade On/Off

Customize your lamps' dimming range and enjoy smooth fade on/off to achieve the perfect ambience.

Wireless Button Dimming

Get instant, app-free control over your lamps with the wireless dimmer button.

For Outdoor Power Needs

Rain or Shine, Always On

Features up to IP65 weather resistance, built to withstand dust, rain and harsh weather conditions.

Stable Connection, Wherever You Plug

With extended wireless range, it maintains a strong and stable connection even in hard-to-reach areas.

For Solar Energy Monitoring

Solar Power Monitoring

Detects the direction of current, making it suitable for both balcony power stations and household appliances.

Zero-Crossing Detection

Addresses relay contact welding, increasing the lifespan of relays by more than 10 times compared to other plugs.

Focus on System Stability

Dual-Protocol Connectivity for Stable Operation

Combines Wi-Fi and Bluetooth Mesh 1.1 technology to ensure smart lights remain responsive and connected even in areas with weak or no Wi-Fi signal.

Convenient Control via the Mate Switch

The Tapo Mate Switch simplifies manual control of smart lights, removing the need to search for your phone or use voice commands. It's designed for user-friendliness, making it accessible for everyone, from children to seniors.

- Dual Connection for Stable Operation
- Convenient Control at Your Fingertips
- Highly Consistent Lighting Control
- Fast Batch Setup
- No Hub Required

Smart Control, Simple as a Click

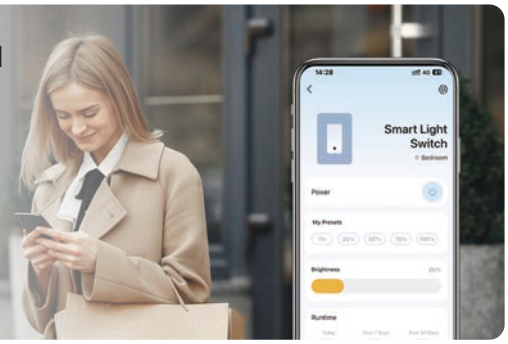

Voice Control

Use simple voice commands with Siri®, Alexa, or Google Assistant to conveniently control the lights without leaving your spot.

Alexa, turn on the light.

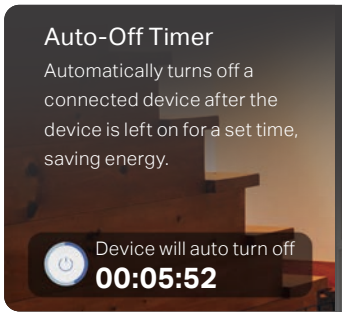

Remote App Control

Control connected lights anytime, anywhere with the Tapo app, whether you're out checking the lights or turning them off at bedtime.

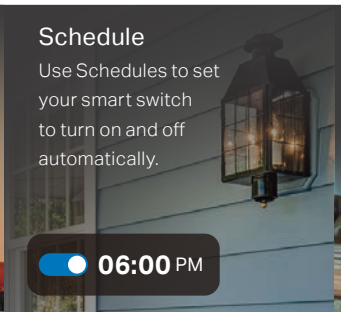

Auto-Off Timer

Automatically turns off a connected device after the device is left on for a set time, saving energy.

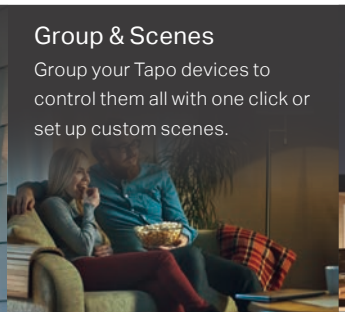

Schedule

Use Schedules to set your smart switch to turn on and off automatically.

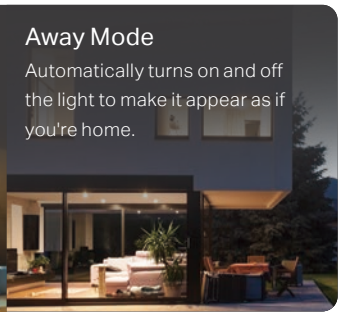

Group & Scenes

Group your Tapo devices to control them all with one click or set up custom scenes.

Away Mode

Automatically turns on and off the light to make it appear as if you're home.

Energy Monitoring

Track detailed daily energy usage and estimate bills with intuitive charts to help you save money.

Zero-Crossing Protection

Addresses relay contact welding to increase the lifespan of relays, which means you will never have to worry about equipment damage due to relay failure again.

Mate Switch

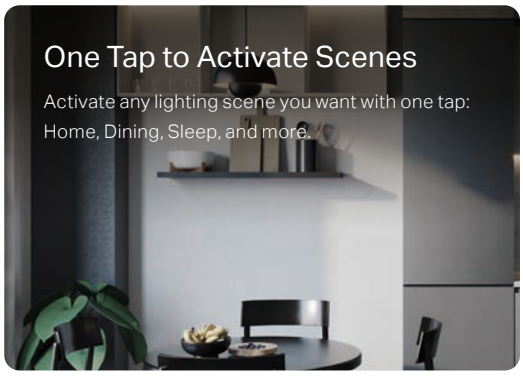

Smart Light Control at Your Fingertips

Only compatible with Tapo smart lights supporting Bluetooth Mesh

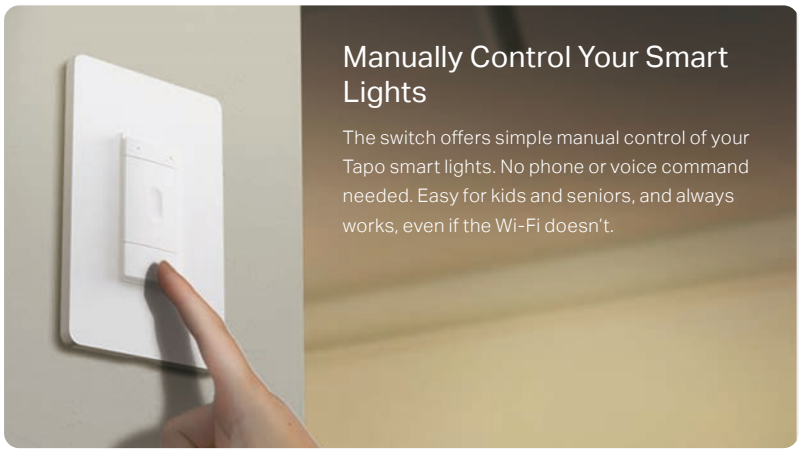

One Tap to Activate Scenes

Activate any lighting scene you want with one tap: Home, Dining, Sleep, and more.

Manually Control Your Smart Lights

The switch offers simple manual control of your Tapo smart lights. No phone or voice command needed. Easy for kids and seniors, and always works, even if the Wi-Fi doesn't.

Smart Light Mode

With Smart Light Mode, the smart switches functions like a Mate Switch for smart light control.

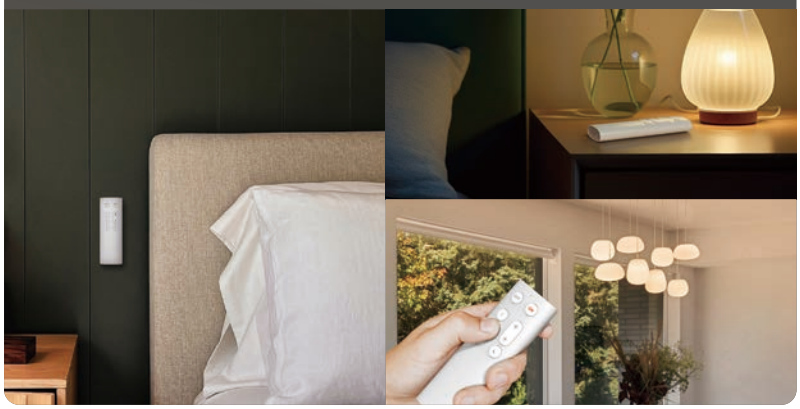

Configuration-Free

Mate Switch comes pre-paired out of the box, requiring no configuration, and is ready to use upon power-up.

More Flexible Placement

Mount it on any wall, place it on your desk, or take it with you – complete lighting freedom.

Max Load	6A	10A
Energy Monitoring	Dual-Channel Independent Monitoring	Energy Generation & Usage Monitoring
Application Scenario	Roller Shutter, Lighting, Outlet, Electric Floor Heating, etc.	Garage Door, Lighting, Outlet, Boiler, Irrigation, Access Control System, Electric Floor Heating, etc.

Tapo Smart Sensors

Give Your Smart Home Extra Sensory Powers

Elevate your smart home with Tapo sensors. Enhance your security with Presence, Motion, and Contact Sensors. Keep everything cozy with Temperature & Humidity and Water Leak Sensors. Automate it all by linking with other Tapo devices.

The Magic of Tapo Sensors

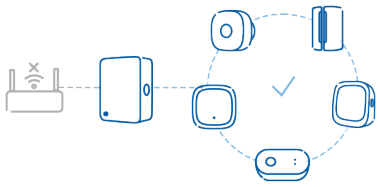

Low-Power Wireless Protocol

Ensures every battery-powered device lasts longer.

Long-Range Connections

Devices stay connected all the time through a robust wireless network.

Fast & Reliable Performance

Reliably works even when the internet is down with low latency and interference.

A Tapo Sensor for Every Scenario

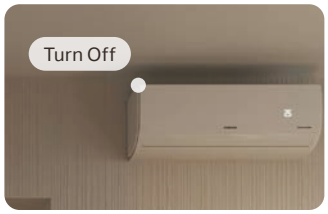

Home Security Scenario

Motion/Presence Detection| Door/Window Monitoring | Water Leakage Detection

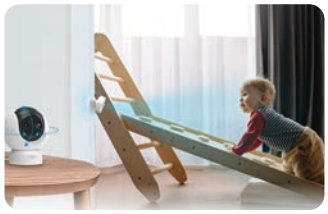

Comfort Living Scenario

Temperature/Humidity Monitoring | Automatic Light Control | Always On

Energy Efficiency Scenario

Reduce Energy Waste

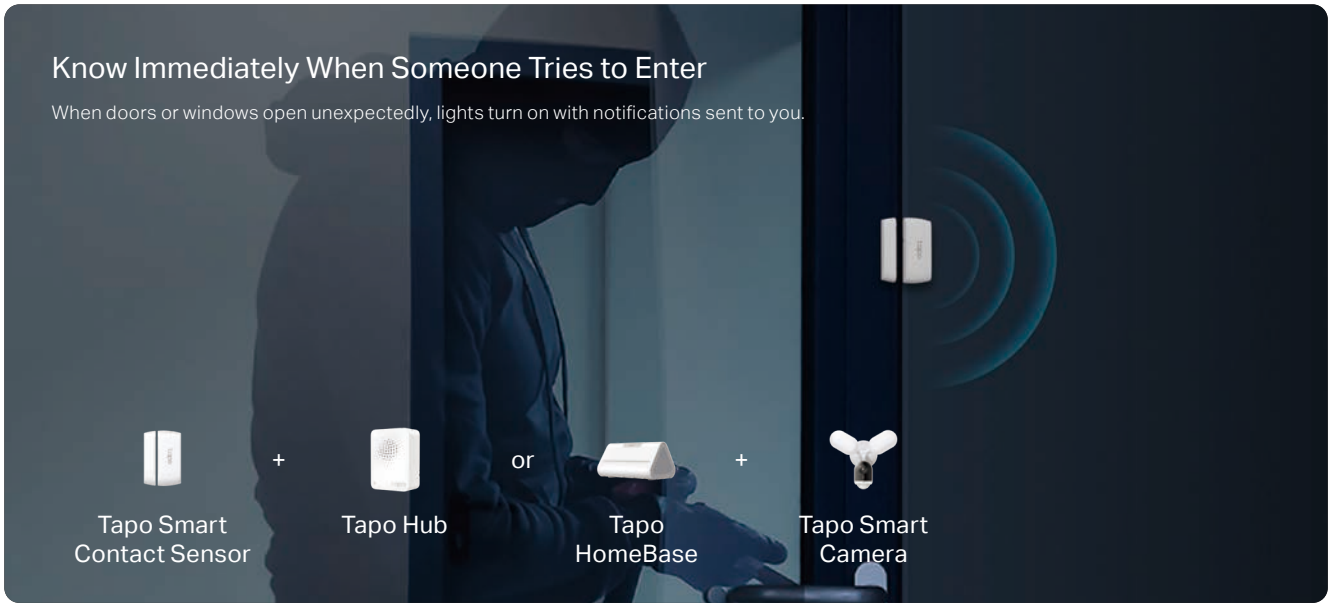

Child Care Scenario

Safety Monitoring

Home Security Scenario

Protect Your Home Day and Night

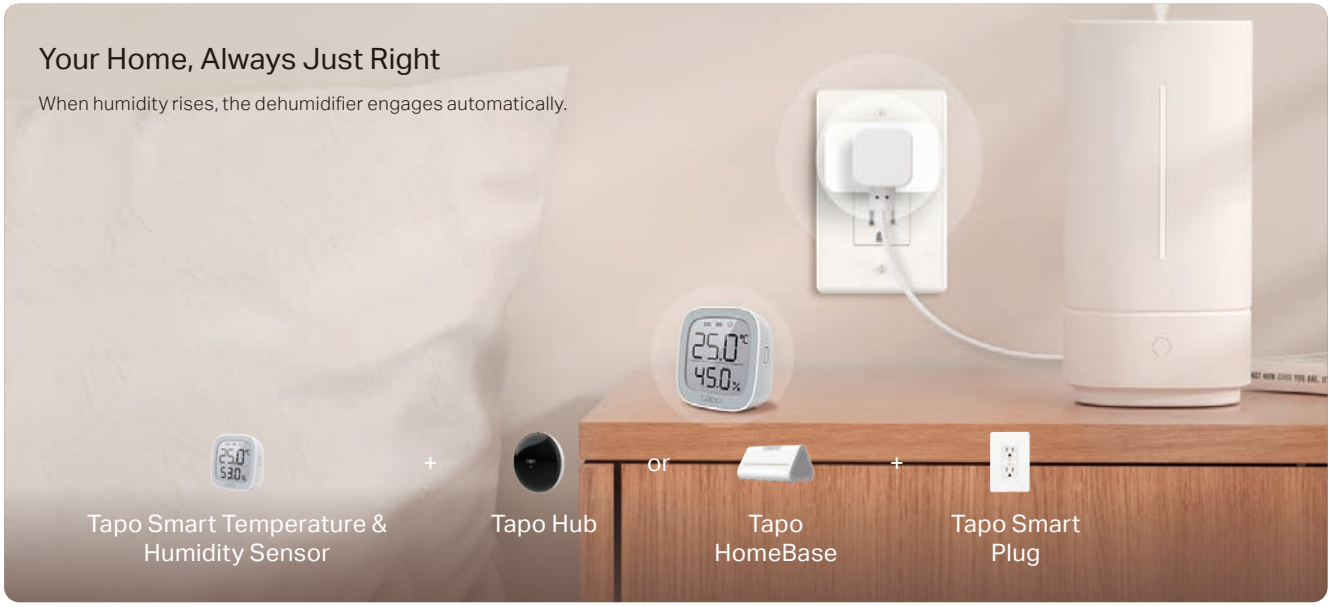

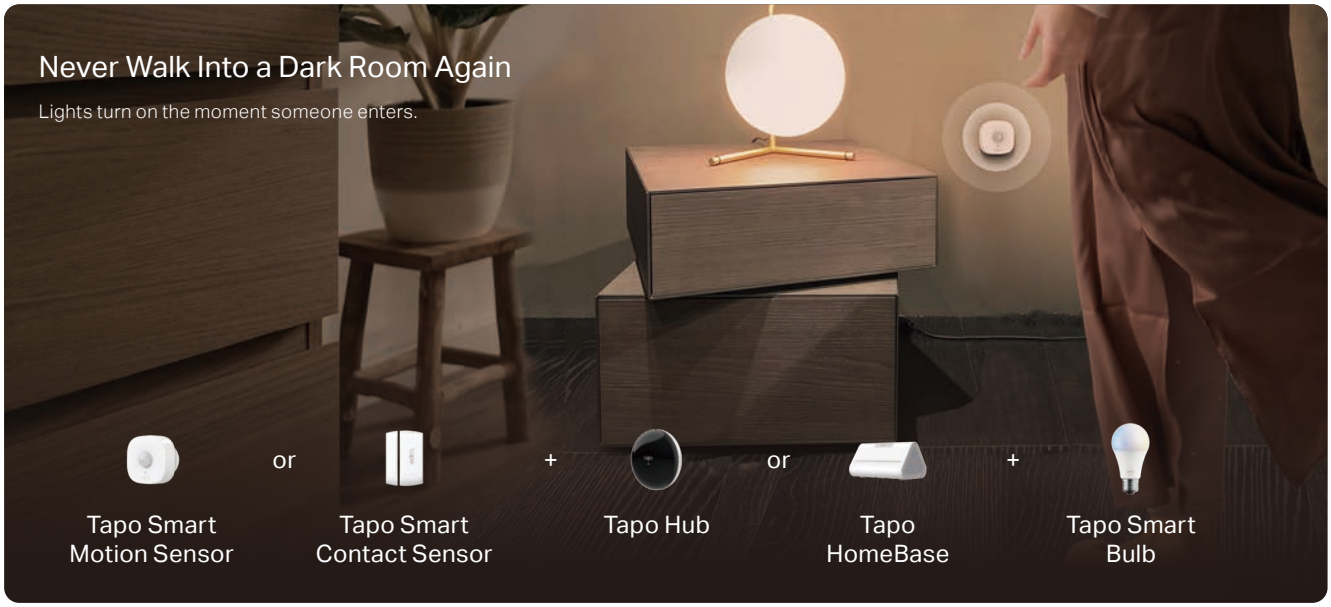

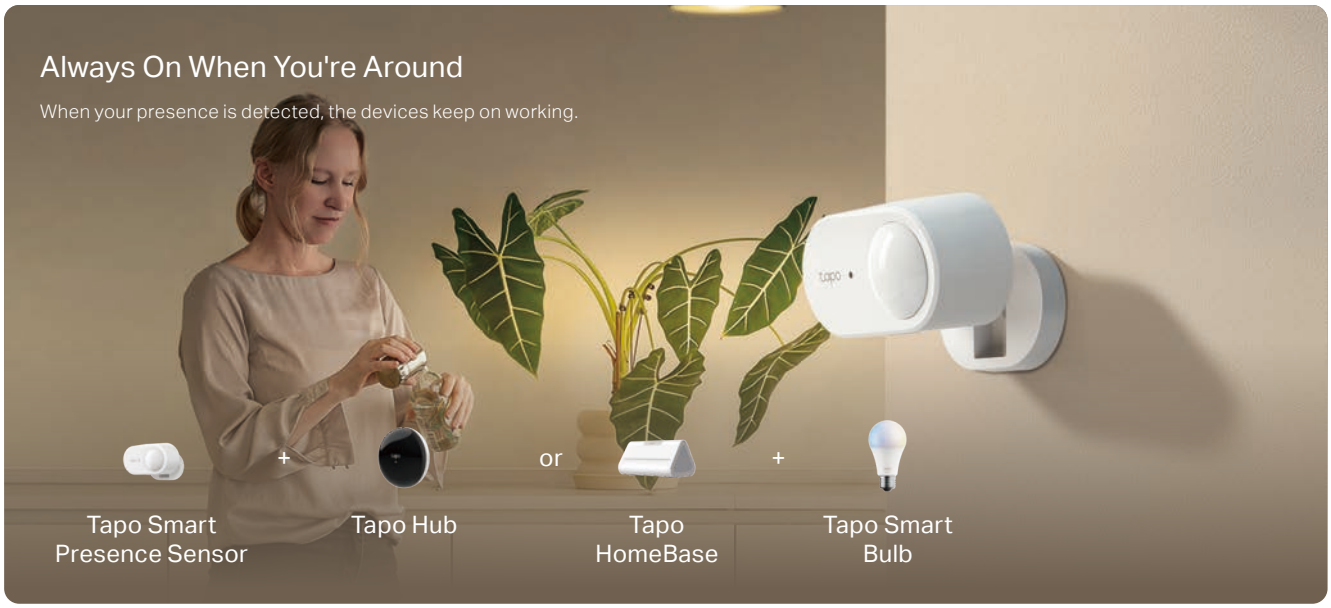

Comfort Living Scenario

Keep Your Home Comfy at All Times

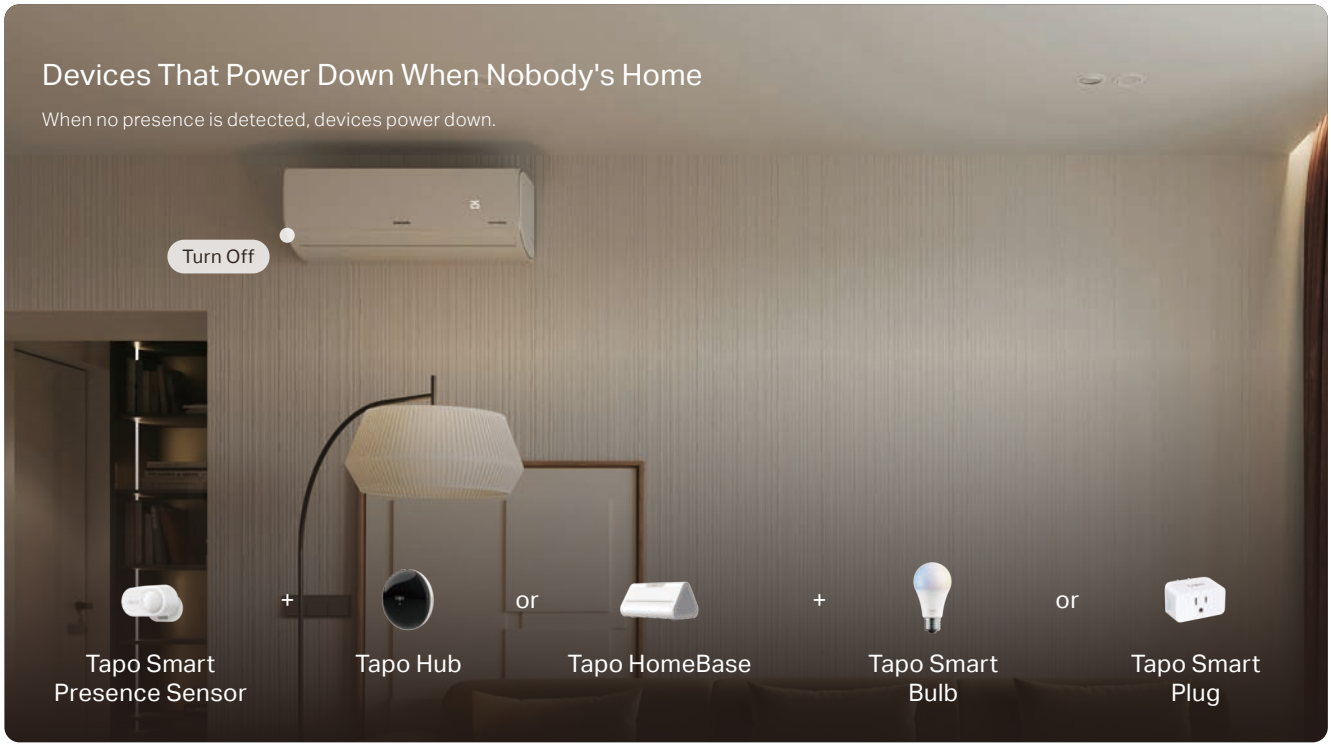

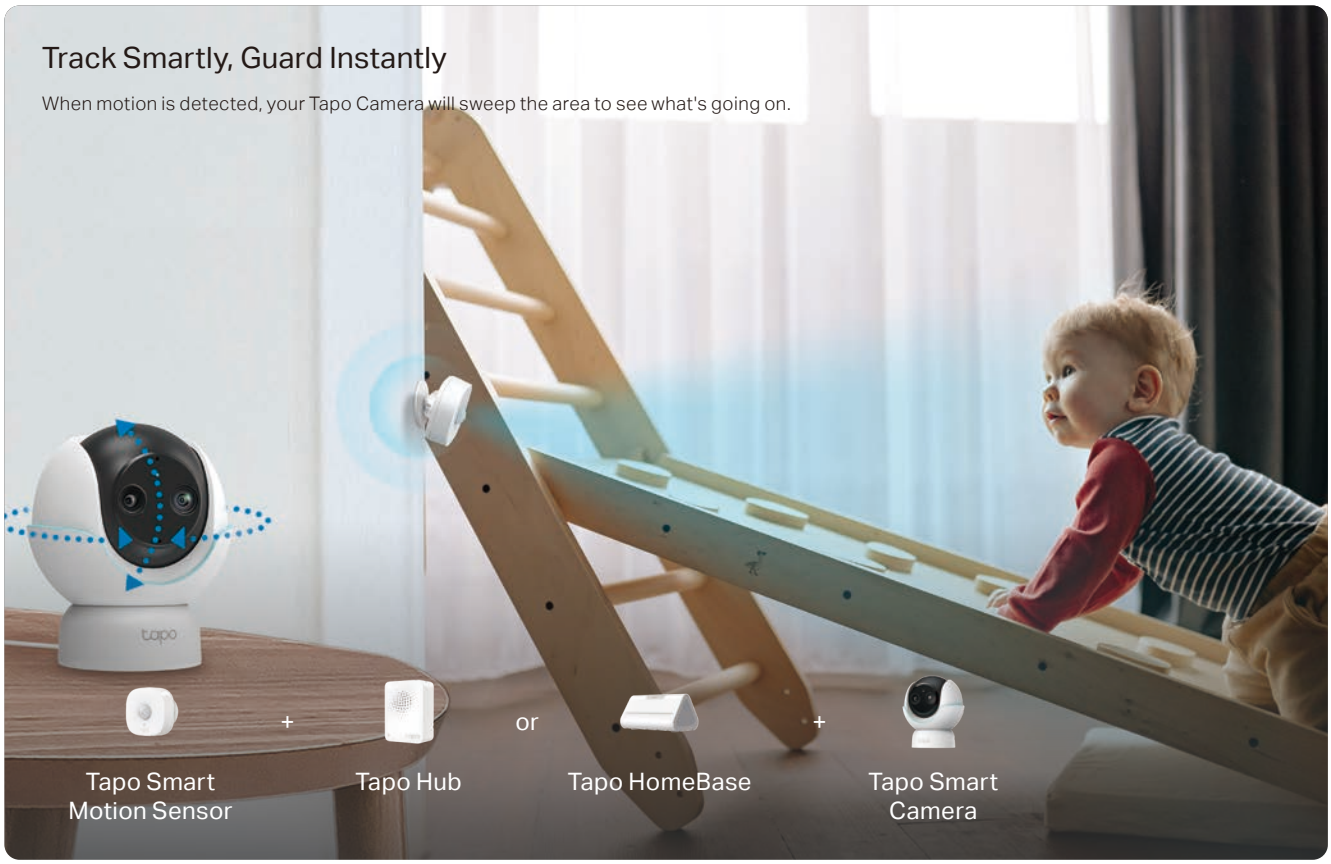

Energy Efficiency Scenario

Reduce Energy Waste

Child Care Scenario

Safety Monitoring

Smart Sensors

Tapo T150

Smart Presence Sensor

- Five-in-One Sensor: Presence, Motion, Ambient Light, Temperature, Humidity
- PIR+mmWave Detection
- Adjustable Sensitivity
- Works with Tapo Devices
- Shielding by Section
- Battery-Powered, Mount Any Way You Like
- 3-Year Battery Life

Tapo T100

Smart Motion Sensor

- Precise Motion Detection
- Instant Alerts
- Instant App Notifications
- Adjustable Sensitivity
- Works with Tapo Devices
- Flexible Awareness Zone: 6m, 120°
- Battery-Powered, Mount Any Way You Like
- 2-Year Battery Life

Tapo T110

Smart Contact Sensor

- Window and Door Checks
- Instant Alerts
- Instant App Notifications
- Works with Tapo Devices
- Secure Your Home
- Automated Lighting Control
- 2-Year Battery Life

Tapo 300

Smart Water Leak Sensor

- Drip & Leak Alerts
- 90dB Adjustable Alarm
- Instant App Notifications
- Works with Tapo Devices
- IP67 Waterproof
- 3-Year Battery Life

Tapo T315

Smart Temperature & Humidity Sensor

- Temperature and Humidity Monitoring
- High-Accuracy Sensor: ±3%RH, 0.54 °F / ±0.3°C
- 2.7" E-ink Display: Clear & Sharp
- Instant App Notifications
- Works with Tapo Devices
- 2-Year Free Data Storage & Exports
- 2-Year Battery Life

Tapo T310

Smart Temperature & Humidity Sensor

- Temperature and Humidity Monitoring
- High-Accuracy Sensor: ±3%RH, ±0.3°C / 0.54 °F
- Instant App Notifications
- Works with Tapo Devices
- 2-Year Free Data Storage & Exports
- 2-Year Battery Life
